Public:

The Hon. Mr. A. Klein
asked me this morning
about the large incidents
in disconcertants ordered
by J.P. This must be
a Medical? He wants
to know whether they
were ever completed
with J.P. 16/10/77

I find that recently
 the War Govt wrote &
 borrowed some of these
 disinfectants from us.
 How much was it that
 we let them have?

To

THE Secretary to the Surgeon-General,

Reference:—

SIR,

With reference to the stock of disinfectants laid in here to meet possible plague demands, I have the honor to state that this was:—

Hydroxylic Perochloride 500
Potassic Permanganas 5015
Acid carbolic B.P 1500
do commercial 5000

Of this, acid carbolic B.P. 500 lbs and acid carbolic commercial 1500 lbs and Hydroxylic Perochloride 30 lbs were sent to the Executive Engineer, Bombay on Voucher No 139 for March 1897, under orders conveyed in telegram No M 12 P

from

from Government of Bombay, to the Secretary,
to Government, Local and Municipal Depto.,
dated 25th March 1897; and a further supply
of 3000 lbs of Acid carbolic commercial
was sent on your wire No 3824 of 4th
August 1897 to Bombay Storekeeper, for
issue to the Commissary General, Bombay,
on loan as per your wire No 25 of 22nd
July 1897. The balance in hand of original
plague reserve stock is:-

Potassic Permanganas	lbs 5015
Acid carbolic B.P.	" 1000
do commercial	" 500

of the 470 lbs of Hydroxygri Perchloride,
10 lbs have been issued on general ordinary
orders as these articles were ordered to be
added to the general depot stock.

I have applied to the Storekeeper,
Bombay, for a refund of these amounts,
but I am more than doubtful of getting
it. Should you consider it advisable
to re-supply our stock I would very
respectfully suggest that the Government
of Madras be requested to move
the Government of Bombay in the
matter.

I have the honor to be,

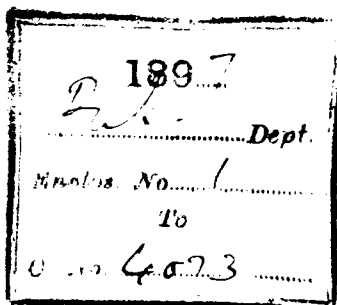

Sir,
