Supply of clothing to certain  
menials employed at the  
High Court.

FOR ORDERS.

GO. no 420 P. 6 A  
d 13-4-97.

On February 23rd the Registrar  
of the High Court requested  
the sanction of Govt. to the  
supply of clothing to certain  
menials at the High Court.  
This sanction was refused on  
financial grounds.

In current no 1690 (dated  
30 April) the Registrar  
reported that the clothing  
had already been supplied  
and the money (Rs 65) spent.  
He therefore asked for  
the necessary sanction.

He was asked in GO no  
585 P. 6 d 12-5-97 to say  
whether the purchase of the  
clothes was prior or subsequent  
to his first application for  
sanction in Feb. He replies

(9151)

in the current, which the clothes were purchased and paid for in Dec 19<sup>th</sup> 1896, his mother before the first application for sanction.

The High Court's action is, it is submitted, most inept; it reduces the application for sanction to a farce. No urgency, or any other reason for purchasing in anticipation of sanction, is suggested, nor is there any explanation of the long <sup>period</sup> delay, that elapsed between the purchase & the application for sanction.

The cost in this presents history has been not from savings in last years budget estimates, but it is submitted that no reason has been shown for reversing the sanction in previous years, and that the ~~present~~ irregularity of the procedure should be pointed out to the High Court.
