NOTE FOR THE M.E. the Governor

In Sept 1895 orders were issued in the Public Dept for the acquisition of certain lands in Madras and the preparation of plans and estimates for the construction of residences for the European officials stationed there. The Race Course site was selected after mature deliberation vide the note on the subject in G.O. No 767 Pubd/12.9.95

A In July 1896 M. K. Ramaswami Aiyar and others of Thallakulam protested against the acquisition of some of the land required within the Reserve on the plea that the Collector intended to interfere with the primordial wet cultivation around. The Collector, who was referred to, replied that it was not ~~intended~~ proposed to interfere with the existing wet cultivation but that it was necessary to prohibit any

encultivation within half a
mile of the Race Course by
refusing to supply Beriar
water for the purpose. As
the Beriar water is at the
disposal of Govt. to give or
withhold at its pleasure
there was no interfering
with existing rights, and
the petitioners' request
"to change the Bungalow site
to the waste lands near the
kooting ground" was

refused accordingly. Please
see G.O. N° 957 Pubd 9.9.96. B
The Collector's letter is with
G.O. N° 1051 Pubd 23.9.96 C

Later (Sept 1896)
a protest was raised
by one Arjuna Perumal
Ambalam against the
acquisition of 70 cents
of land around a certain
mandappam vide sketch
of the spot at D and notes
flagged E in G.O. N° 17 Pub
d 8.1.97. The petitioner
was informed that the
acquisition was ne-
cessary, it being essential

essential to maintain
the site in its open state
