 GOVERNMENT OF MADRAS

Dear Mr. Price.

The branch of the Bank of Indo-China here received from the head office in France, a cablegram, telling the manager to stop all commercial transactions. This has of course placed the colony in a fever of excitement & the wildest

rumours are current.
Govt here has no informa-
-tion. I should be very
much obliged if you have
any, that accounts for
this action, and if it is
permissible, that you
would kindly wire to
me that I may restore
confidence. It may be
only because of plague

precautions, or else an
European crisis.

Very faithfully yours.
