in continuation of G.O.
No. 1307, Pub. D. 11th Decr 1896

To the Surgeon General.

Leper Hospital, Madras

Estimate of Rs. 7,190 for constructing an upper storey to the female ward at the
—, sanctioned for execution when funds are available.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

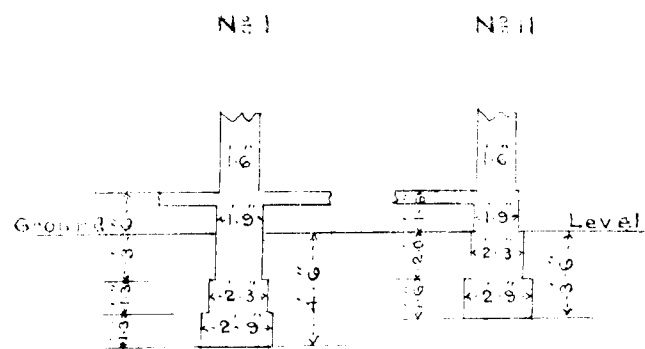

Buildings and Roads.
Civil Works.

READ—the following papers:—

G.O., No. 3302 W., dated 18th November 1896.

From G. S. T. HARRIS, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepâk, 9th December 1896, No. 4538.

I have the honour to inform you that on receipt of G.O., No. 3302 W., dated 18th November 1896, I endeavoured to ascertain how the sections shown as the existing foundations for the female ward, Leper Hospital, were arrived at. Not being satisfied I have had the foundations opened up, and regret to find on examining them that you have been misinformed.

2. The section for outer verandah is correct, the section for main walls is much heavier than shown—on the margin is given (i) the actual, (ii) the supposed foundations on which you have been misinformed.

3. The soil on which the building stands is not "sandy clay" as reported to you, but "sand."

4. To satisfy myself that the site needs only very shallow foundations, I opened out the foundation of a high pukka building 30 feet high in the choultry; it is founded on the sand 1' 8" below the surface and has no concrete; it is an old building and the walls are quite perfect, no settlement or cracks being visible.

5. I am of opinion that a second storey can be safely added. The laundry foundations I will attend to when the work is started.

From G. S. T. HARRIS, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepâk, 15th January 1897, No. 4829.

With reference to your Memo. No. 5000 C., dated the 19th December 1896, I have the honour to resubmit for sanction the plan and estimate for constructing an upper storey to the female ward of the Leper Hospital.

The actual section of foundation is inserted in red.

ORDER—No. 225 W., dated 23rd January 1897.

The estimate, amounting to Rs. 7,190, for constructing an upper storey to the female ward at the Leper Hospital, Madras, is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial No. 146 W. of 1896-97, and classified as Civil Buildings—Original Works.

(True Extract.)

Under Secretary to Government.

To the Consulting Architect to Government, with five enclosures.
