GOVERNMENT OF MADRAS
21 FEB. 1897
CHIEF SECRETARY

SIR,

I have the honor to say that the Kistna District Association, which is I understand a local branch of the Indian National Congress convened a meeting in Masulipatam on 4th instant to consider the question of appointing a committee to collect subscriptions for the Indian Famine Relief Charitable Fund, and asked me to preside. I accepted the invitation and did preside. A committee was appointed in which my name was included; and a subscription list was circulated at once. I do not think that I have contravened any of the rules for the conduct of Public Servants; but nevertheless have thought it better to report my action to Government.

2. I have been asked to preside at meetings to be held for the same purpose in Guntur and Nellore and have accepted the invitation.

3. Beyond a general exhortation to the public to subscribe liberally, I have not invited subscriptions from any one. Were I personally to appeal to the Zamindars and other wealthy persons in the district, I might be able to raise a considerable sum; but I think such a course on my part would be undesirable. I have the honor to solicit an expression of Government's views in the matter.

I have the honor to be

Sir
Your most obedient servant
