FILE No. 8 of 1897.
SERIAL No. 1.

No. 3 (Revenue), dated India Office, London, the 7th January 1897.
From—Her Majesty's Secretary of State for India,
To—The Government of India.

WITH reference to your Revenue letter No. 6—33-8 of 29th January last, and my telegram of 9th March last (noted in the margin) on the subject of the equipment of the observatory to be constructed at Kodaikanal, Madras, I have to inform Your Excellency in Council that arrangements have been made with Sir H. Grubb, and Messrs. A. Hilger and V. Kullberg for the supply of a new spectrograph, a clock, and a micrometer, and for the repair of an old spectroscope.

2. It has not been found possible to obtain these instruments for the sum of £415 estimated in your letter under reply, and their total cost, including packing, amounts to £670-10-0. Of this sum, however, not more than £100 will be paid within 1896-97, and provision for the remainder will doubtless be made in the budget of the ensuing year.

I have etc.,
GEORGE HAMILTON.
