 MADRAS
 Sir
 I am directed by the
 Medical General Committee
 after the inquiry, as
 to the state of the
 local market in the
 matter of despatches
 as far as I have been
 able to ascertain there
 does not appear
 to be too much of
 Hydrabad Peshkar
 in Madras. But

The channel to Port-au-Prince, bidnething
 ended within the this same day with the
 next fortnight, a said article V. 13. 2905.
 search leaves for said article from 1190.
 Messrs Kemp of Hydrang Perchlar 130.
 from here (P. & small unaltered which)
 tonight at 4 3/4 p.m. This is the last quantity
 The demand for the required amount that
 far all such articles depart with me
 has been heavy & nothing if expected
 & shocks here have from home on the
 been depleted last several instances
 In reply to a note that the foot of hundred
 from Guy Lal Bahama arrived as well advised
 yesterday offered in obtaining by the
 & small down quickest possible

a better make might possibly
 be put on such an order,
 but from the facts there
 that would be at least
 the cost. The quantities may seem
 large but the drugs will
 keep indefinitely, while
 once the demand arises
 there it is saying what
 the consideration might
 be. This amount
 would at all events
 allow me to break my
 line. I am, Sir,
 Yours faithfully,
 J. W. W. W.

P.S. Since writing the above
 I have seen the agent
 for Messrs. Harner & Co.
 of London.

Sir
Since writing before
on Friday 8th I have
been furnished with
further details from
various firms of what
they are now doing

infectants.
This information I

This opinion
as to the reserves
to be held here -
as will be seen in
a glance the
movement of
the market would

even Madrid with
its 450,000 souls, to
pay nothing of the
general demand
outside -
