4th March 1897.

Sir,

With reference to the correspondence ending with the endorsement from the Government of Madras No. 1215, dated the 18th July 1896, I am directed to say that, as considerable difficulties are experienced in finding qualified officers to fill the posts of Commissioner and District Magistrate in Coorg, a proposal has been made that the two appointments in question should be added to the cadre of the Indian Civil Service in the Madras Presidency, and that the Government of Madras should be held liable to provide officers for them. The Governor General in Council, after considering both the duties of the posts and the scale of pay of Indian Civilians in Madras, is inclined to think that it would be suitable to fix the pay of the posts at Rs. 1800 and 800 per month respectively. It would be necessary, down that the officer selected to hold either of these posts would be entitled to Rs. 1800 or 800, as the case may be, only so long as he holds the appointment in Coorg, and he would not be allowed to return to his Presidency on any other condition than that of resuming his substantive position on the Madras List. Before, however, coming to a conclusion on the subject, the Government of India would be glad to learn whether the above proposals commend themselves to the Governor in Council. I am to ask for an early reply, to admit of the matter being considered (if necessary) in connection with the general ques-

 I think we may accept this, though in view of the desirability of having suitable men in these posts, it would have been better that the rate of pay should be Rs 2000 (Equivalent to the Nilgiri Collectorate) and Rs 1000 (the rate of pay at present) - Rs 800 is low for the sort of men required for the District Magistrate's post in Coorg.

The offer should certainly be accepted. But, I agree that if we are to keep good men in these posts, the pay is low. Perhaps in accepting, we might suggest, with the object I have mentioned, that the pay should be incremental, - say Rs. 1800 rising by Rs. 50 to Rs. 2000; and Rs. 800, rising by Rs. 50 to Rs. 1000.

 The Government of India proposes to raise the pay of the Commissioner and District Magistrate of Coorg to Rs 2000 and Rs 1000 per annum respectively and to add these two appointments to the cadre of the Indian civil service in the Madras Presidency. Last year when the Govt. of India asked for the services of a civilian of not less than 12 years standing and having a knowledge of Kannada to act as Commissioner of Coorg, Mr. M. K. Jayaraman went on these grounds, leave this Govt. replied that no one was available possessing the necessary qualifications. Subsequently, however, Mr.

He will become a permanent Sub Col in Mr Austin's vacancy at the end of next month.

Because then the man who does the work in Coorg will get the pay of the appt.

It seems that if a
civilian of about 4 or 5 years
service is appointed District
Magistrate he can continue in
such capacity for three years
and then be promoted to be
Commissioner ^{and remain} for a further
period of three or four years.
Besides the District Magistrate
may have opportunities of
acting as Commissioner
if the latter goes on leave.

Orders are solicited
whether the proposals of the
Govt. of India may be accepted.

FOR ORDERS.

The Govt need not have written at the length that it has. The Govt of India asks a ^{large number of} paid collectors and a 1st Ind. staff to the appointments which will be available for heads, and both of them in a good climate. Two were well adapted to the Cadre in time, but for a considerable time to come there will practically be the two appls. extra for the existing Cadre ~~and the same for the same~~.

There need be no fears that Green qualified
for them will be forthcoming should they
be transferred to this Penitentiary.

It is submitted that the proposal should
be accepted: it is far too good a
one to let slip. This may seem quite
sufficient. The scheme emanates from
