In the matter of Sparing men for India,
the men that seem suitable - assuming that
we send picked men, - and,

1. Bell

2. Brundoch Collector of Chingleput.

3. Shipley Ag. Secretary, Board

4. R. Campbell Ag. Sub-Collector, Salem.

5. C. Scott Sub-Collector, Vizagapatam

6. Vaughan Sub-Collector, North Arcot.

7. Buckley Sub-Collector, Chingleput.

These are men, who might be spared, without
dislocating our own administration: e.g. -

Bell is now here.

Brundoch could be replaced by Nicholson.

Shipley is more or less in the air.

R. Campbell could be replaced by Davidson.

Scott

Vaughan

Buckley

} could be replaced by junior men

All these men, too, are either now or

in Madras, awaiting
orders.

may expect shortly to be Acting Collectors.
possibly one of them might get out of going.
that would leave 6 available for India of
whom Ball, Shipley and Campbell could
go at once and the other three later.

A glance at the list will show, that unless
we take judges - as we might do, if the
emergency was great - there are no
other men of the Acting Collector
grade whom we could spare, from their
existing posts and who would represent
Madras well.

Of younger men of about the Acting Sub. Col-
lector grade, - men, that is, who can
not expect to be soon made Acting
Collectors - we have

1. Ayling Sub. Collector Combaromam
2. Parsons Settlement Work
3. Gillman Head Quarters, Bellary
4. Thornton Ag. Head Assistant, Ramnad
5. A. R. Cumming Ag. Head Assistant, Kistna
6. Moore Ag. Head Assistant, Coimbatore

These

These are all fair officers, and their places may
be filled from the junior ranks if some
them cried off or were thought weakly, we can
fall back on

7. Murphy

8. Grimley

9. Mac Iver All fair officers

though not strong.

It does not seem possible to send more than
6 of the Acting Collectors and 6 of the
Acting Sub. Collector grade, in all; and
even these could only be spared on
the assumption that we have a normal
monsoon in July - otherwise we shall
have a real famine on our own hands
there.

Mrs. Price might be asked to put a note
before Hon. Members to this effect and to
propose a telegram, like the following
to India.

Reference your telegram asking
what Civilian Madras could spare

for famine in North India & please
give us some idea of what grade men
you require & we assume men of per-
manent Collector grade will be in-
conveniently senior and therefore we would
select as likely to be of most assistance
men of Acting Collector grade, pay Rs. 2000/-
of these we could spare 3 now and
3 later & or if you prefer younger
men, of Acting Sub. Collector grade, pay
Rs 1050/-. we could spare same numbers
but these have less experience & none
know Hindustani & these proposals
assume normal monsoon here in July &
would trust to you to treat our men
liberally and help with tents, etc., as
we would send picked men. Please
let us know your views and wishes
soon, as our own postings are kept
in suspense meantime.

My dear Sir

Here's the gist of a note
which I had just put before His
Excellency and was going to send to
you for your own private opinion,
when your letter on the subject
came to me. I have now put
both before His Excellency and he
wishes you now to circulate a
note to Hon'ble members for orders
in the terms of the enclosure.

You will see that we had
pitched on much the same men and
when

for famine in North India & please
give us some idea of what grade men

His Excellency has not taken
your men; it is simply because
you yourself pointed out, some
the men on your list may be
needed here. It was very good of
to write so fully; I was going
one and consult you about
matter, but your letter is so full
& it is hardly necessary now.

H. E. THE GOVERNOR.

SUBJECT.

1. THE HON'BLE MR. BLISS, C.I.E.

2. THE HON'BLE MR. GROSE, C.I.E.

FOR ORDERS.

As I did not at all agree with the proposal made in the C.S. and sent round the other day as to officers performing duty, I think it probable that the file may have been sent to H.E. - I have no idea whether, or how far, the Hon'ble. has agreed with me, or even only with me on the proposition that he is as under: -

~~Assuming that Dadachanj's~~
Assuming that Dadachanj's & Nanaji (known Hindustani) (the former no doubt does), they may be sent to the C.S. - we have no other juniors who know Hindustani -

As to the man required by the Bombay Govt., ~~Mr. Hill~~ Mr. Hill is the man who knows Chinese. The vacant appt. at Sharwar is worth, however, more than Rs 300 a month less than an ag. judge'ship here; and there is no reason why Mr. Hill should suffer this loss rather than Mr. Muttonworth who is 4 years his senior. Mr. Muttonworth, about the best Chinese knowing man, should therefore be sent to that appt. - Mr. Hill, I would suggest, fill his place as Judge of Lodwarri.

The next Chinese knowing man on the list is Mr. R. A. Graham - He should be sent to the Bijapur appt. -

The enclosed accompanying telegram has been received at 6.20 P.M. - I have been in the office & where no one is here to tell me where the papers regarding the supply of Misses for justice duty are at present. My impression is that they have gone on to the Govt. As the telegram is urgent and it is no doubt desirable that they should be sent the telegram without reference, I have ~~sent~~ ^{sent} the telegraphing regarding the telegram to the Private Secy. & asking him to see to it.

19/2/97

As the Govt. being absent, I think
that if the Hon. Mr. Bliss comes with
me, Mr. Butterworth & Graham should
be ordered to join by telegram, the Hon. Mr.
Bliss being at the same time informed.

The two officers I mentioned
as Statutories - Should
write to their respective Colonies
to ask if they know Hindu-

The word, "Statutories," was a
mistake. I think before sending
the two men we should ask
India by telegram if they
will take Native members

I should send Mr. ~~Milburn~~^{McIntosh} to

Telegram from the
P. S. received by the
U.S. at 12.30 a.m.
this morning and
by us at 9 o'clock
is submitted for
orders.

I don't think he should be
sent. He would be of the greatest
use and an officer into the app't of
Asst. Judge full powers and Asst.
Joint Sec. J. - There must be many
senior Army officers who would be superseded
by his app't, which cannot be justified.
The same may be said as to the proposed
to send Mr. Graham, an officer of only 5 years
senior, to be Dist. Sec. J.
I therefore advise to my proposals &
would not telegraph as proposed to Mr. Butterworth.
Mr. Butterworth - I would I do so
to the Chf. Comr., C.P., for the reasons
stated above.

After reconsidering the
matter I do not see any
further reason to cancel
the order already passed,
& I do not understand how,
without communicating
with Mr. Blair or Mr. Blair
or me, H.C. decided
cancelling.

FOR ORDERS.

I don't think this problem has been attacked in the proper way. The first thing to do is to see who there is who knows Hindustani, the second to see who knows Canarese. Informants can then be sent to the Central Provinces, or Northern India as required, and the latter to Bombay Canarese districts, where they will relieve Bombay officers who know Hindustani & also could then be sent on further North. In the first lot we have:—

Munhammad Raja Khan Knows Hindi.
A.C. Butt do
Dadachanji must know Hindi,
Should say

and must know
Bengali which he
must have learnt

In the second act we have:—

 There are no officers answering the
 description. Some letters of inquiry
 sent out have not yet been answered.
 The Governor is of the opinion that
 the exposure of the work of the

 dealing with the matter.

I think simply should be telegraphed to the Govt. of
India saying that we have no civilians of
the standing mentioned who know Hindustani,
and asking if they search for men who do
not know Hindustani also could spare
nothing from the list, under out in

I think that in replying to India we should tell them that the famine is now over and for the C.P. don't know Hindustani, the C.P. Govt. having declined the only Hindustani knowing men we have. Subject to this, I have no objection to the letter down to the words "the famine is over", but I would not say anything about removing restrictions on leave. The other provinces in Eastern India are in a bad way & will certainly want all the men we can spare, while, as to Madras, it is, in my opinion, by no means certain that we shall want more men for famine work here. My own opinion is that within the next 3 months we shall have 15,000 people in relief in which case we shall want all our men, if known. I am not at all sure of this at present.

CHIEF SECRETARY
1-MAR-1897
GOVERNMENT OF MADRAS

My dear Price,

Delivered as per date 9/10
In regard to the two men of not over 3 years' standing, asked for by the Central Provinces, His Excellency would propose

Couchman } both 7'93
Harris }

Both are willing to go, and are good men; and seem the most suitable selections from the year; for of the other men, the good ones cannot be

owed, & the poor ones ought
to be sent.

In sending them,
Excellency would propose,
if it is permissible, Go-
vernment should by way of
compensation for such an
unpalatable move, and in fair
change for the time waited
for it, exempt them on their
return from passing the
higher Standard, i.e. considered
that they have passed it from
the day of return.

Under article 101. Civil
Service Regulations, these
Officers will get Rs 5 a

a day - i.e., Rs 150 a
month, plus carriage of
servants, tents and house.
Their pay should not be
less than that of the man
next above each of the two
on the Madras list, and
an advance of travelling
allowance should be
made, if needed (in spite
of Section 137 d. Civil accounts &c).

Harris is now at the
Club & has been told to stay
there, pending orders. His go-
ing time expires, it is believed
on Monday, but, if necessary
it will have to be extended.

yours sincerely,
H. E. The Governor.

SUBJECT.

Officers for the Central
Provinces.

FOR ORDERS.

I should have thought
both the officers mentioned were
over three years standing - didn't
think ask for officers under three
years standing. However, I don't suppose
objection would be raised on that
score. Mr. Harris would be a good
man to send, I should say. I haven't
seen Mr. Connerman since he came
out in 1893 or the beginning of 1894,
but my recollection of him is that he is
immensely tall & looks as if he had
outgrown his strength. If he is not in ex-
cellent health, he is not the man to send
on Famine duty.

It would be in the power of
Govt. to exempt officers so sent from
passing the higher Standard, and I should
not object to this being ordered (except
in regard to languages) if a good report
was received of their work.

I see no objection to the other two
being sent. I should not sample to
disregard S. 137 (2) of the C.A.C. in such
a case as this.

Think of course to recommend back
the C.P. if they will take officers who
know no Hindustani at all.

1/3/97
1/3/97

I demand official letter from the Private
Secretary regarding Officers for the Central
Provinces is submitted. History of the
Officers named above may be obtained from
the C. & A. I do not see how Section 137 (2) C.A.C.
can be set aside without the sanction of
the Govt. of the C. & A.

1/3/97.

These cases found
that 137 (2) will
not be a bar to
the Govt. of the C. & A.
I am to the Govt.

Settled in Council
Harris & Connerman to be
recommended. In the account
therein will they and
the mentioned have the
higher Standard in the
languages. Advancing
to required may be
made up to 137 (2).

Mr. Cochrane will be of good use to send. Mr. Parsons does not know Cananea - I would not think he ought to be sent, even if he were to be sent from settlement within reach, as which the chances for him is better able to give an opinion than I am. Many other junior officers we have, who know Cananea, in Mr. Root's. He has not heard, so cannot be appd. to act as B. L., but he must have picked up a good deal of Cananea by this time as he has been more than a year in S. Cananea and should be able to do useful work as on future duty in a Cananea district.

2/5/11)
The C.S. telephoned a minute after I
had written the above to say that Mr.
Booth has passed - I say, he will be
very useful in Bombay. We are bound,
I think, to send men who know Canarese
as far as we can -

I know very little about
the work Mr Parsons is doing at
present. I think he could be spared
for a few months, but it will be
better would keep Connelley &
Booby who both know Chinaman

GOVERNMENT OF MADRAS

With reference
to the accompanying file, C.N.

cur with His Excellency in
thinking that Madras can
spare two officers for famine
duty in Bombay, His Excellency
would propose that the two
officers should be Parsons and

of course, that the Government
of Bombay do not want men

Dear Henry,

(a) About the Kankun project,
the last paper is G.O., R.D., No 23,
of 11.97. saying that the project
should not be struck off the list
of District works to be investigated.

It is all my project but that of
it much after & more reference
has been given than I can take up the
to Mr H. S. Thomas.

The Vanier project is minor,
I am deeply interested in this matter.

REV. SETT., L. RECORDS & AGRICULTURE,
Madras, 1897

Young, Parsons is doing the final in-
spect in Walavand, Kottayam
& Ponani. He has submitted a report
- now under disposal here - as the
result of the classification of Kottayam.

Classification in Calicut was taken
up in Nov-96, & will take some
6 mths. more to complete.

A man would be to be appointed
to act for Parsons while away, but

prepared to prepare Mr. Parsons. Tattler

having it. I read for a
 number of the principal
 members with it. I am in
 touch with Hughes about it, &
 the report will
 be before you in the M.S.
 again. I don't see
 real fraction of these projects
 & they should all be solely
 by the percentage which they
 take on selling, but on the whole
 if they are protective. My paper
 will pay something, even

on the most important of the interests.
 The Board & Cabinet is our greatest
 friends in imagination, & yet the
 it is a ~~little~~ ^{little} worth of exp.

(B)

L. + Persons? I think he
 can very well be spared.
 He is a nice boy, but did us
 at all in from me as being a
 tower of strength. However
 he has a great deal of local
 experience which should
 be disregarded when he comes

I have humbled & said, that is
better very serious to be a member.
I take the opportunity to tell you that I am
at long last a member of the Church. I have
been in the land of the living for a long time
and I have been in the land of the living for a long time.
I have been in the land of the living for a long time.
I have been in the land of the living for a long time.

there would be economy in this,
as a D. C. would not get the
\$150 - the allowance to Penn-
plus his ordinary pay, & I think
that S. Saminathies, who drew
up the memo on Welches & Co.
his ex. & Co. do ^{well} ~~save~~ ^{with} ~~the~~ ^{after} his
death will allow of his returning
to Malabar. He is now in leave in

 There are still 9 letters of Malabar
 settlement. . . .
 Of them 5 have already been
 classified, & a scheme for the others
 based on the results of the 4 have
 been submitted to Government.
 Ling Parson joined in 94 the
 Kottayam. He has been classified,
 & Catalogue is in progress. He Super
 vision is doing inspection in Kottayam

 Besides keeping the above work

carrying on until the Secretary
 comes. Reason is doing papers in
 his house for a few days to help
 us. I could not visit Kottayam

 to Kottayam, where I ought to have
 been in February.
