9th March 1897.

My dear Sir,

About 2 years ago, one Bengali gentleman whose name, I think, is Sasipada Banerjee visited Ernakulam. He brought with him a certain apparatus which he said was useful for curing Hydrophobia &c and wanted to give it to a Hindu Surgeon. I suggested the name of Mr. Subba Rao who was then on leave. He approved of it and left the apparatus with me and requested me to send it over to Mr. Subba Rao as soon as he returned from leave. I sent it to Mr. Subba Rao & communicated the same to Mr. Banerjee.

Yours sincerely.

Ld. C. S. Mahalingam Iyer.
