EMIGRATION.

Calcutta, the 16th March 1897.

NOTIFICATION.

THE following draft of certain additions which it is proposed to make to the Rules under the Indian Emigration Act (XXI of 1883) is published, as required by section 81 of the said Act, for the information of persons likely to be affected thereby, and notice is hereby given that the draft will be taken into consideration by the Governor General in Council on or after the 17th April 1897.

2. Any objection or suggestion which may be received from any person with respect to the draft before that date will be considered by the Governor General in Council.

Draft of proposed additions.

(1) In the test prescribed for lime-juice in Rule 178A., Chapter V, Section III (added to the original rules by Notification No. 170, dated 1st February 1896) for the words in the *Note*—

“A darkening indicates lead or copper,”

the following shall be substituted, namely :—

“A darkening which disappears again almost immediately is due to iron, but a persistent darkening indicates the presence of lead or copper.”

To paragraph 2 of the said *Note* the following shall be added, namely :—

“As a confirmatory test the following process may be used :—

“Evaporate some of the juice to dryness and ignite; then dissolve the remaining ash in Nitric Acid and divide the solution into two portions. To one of these add a little Iodide of Potassium solution : a yellow precipitate indicates lead. To the other portion add Ferrocyanide of Potassium : a chocolate precipitate indicates copper, and a white precipitate lead.”
