READ—also file of replies to the same.

ORDER—No. 403, Public, dated 7th April 1897.

In G.O., No. 1241, Public, dated 20th November 1896, District Magistrates were requested to report as to the advisability of extending to the subordinate magistracy the power of granting passports to intending pilgrims to the Hedjaz. The replies received show that the balance of opinion is against any extension of the power. In this view the Government, taking into consideration the small number of pilgrims from this Presidency and the fact that passports can already be obtained from any District or Divisional Magistrate, concurs.

2. As, since the passing of G.O., No. 1510, Public, dated 7th July 1884, the magisterial powers of Tahsildars have been very generally withdrawn, paragraph 5 of that order, which extended to officers of this class the power to grant passports, will be cancelled.

SIR,

In reply to Co. 1241 of 20th November
last, I have the honor to state that
in my opinion it is not necessary
to extend to Subordinate Magistrates
the power of granting passports
to pilgrims. Not a single license
was applied for last year in
this district and the number
of applications is now

likely

likely to exceed 5 or 6 in the
year.

classes of Officers at present autho-

ORDER.

In paragraph 2 of G.O.No.1241, Public, dated 20th November 1896, it was remarked that by G.O. No. 2066 Public, dated 22nd October 1883, all divisional magistrates were authorized to grant passports to pilgrims, and all District Magistrates were requested to report whether they considered it advisable to extend the power to the subordinate magistracy.

2. It was at the time overlooked that ^{by} para. 5 of G.O.No. 1510 Public, dated 7th July 1884, the authority granted in G.O. No. 2066 Public, dated 22nd October 1883, had been extended to Tahsildars. The latter G.O. was only communicated to all Collectors and District Magistrates but in the replies to G.O. No. 1511 Public, dated 20th November 1896, the District Magistrate of North Arcot, ^{above} refers to that order. It had

been entirely lost sight of in the
other ~~20~~ ^{twenty} offices. This should be

Suitable notice of 2 of this

The District Magistrate,
urnnoor, sees no objection to extending
the power to all Magistrates; the
District Magistrates of Tanjore and
South Canara would give it to Stationary
Magistrates and the latter to all
Deputy Tahsildars; while the District
Magistrate of North Arcot would extend
it to all Deputy Tahsildars in independ-
ent charge, i.e., in Zemindari tracts.

The Government considers that
no further extension is necessary.

The following erratum will be
issued to G.O. No. 1241 Public, dated
20th November 1896:-

"In the second line of the
Notification in G.O. No. 1241, Public,
dated 20th November 1896, between the
words "divisional" and "magistrate"
insert the words "or Tahsildar" and from
para. 2 of the G.O. omit from the words
"Owing to" to the words "subordinate
magistracy" inclusive and substitute
the following "and ^{by} para. 5 of G.O.
No. 1510 Public, dated 7th July 1884,
this authority was extended to Tahsildars.

All District Magistrates will be re-
quested to report whether they consider
any further extension of the power of
granting passports is called for".

To the first sentence of para. 3 of
the G.O. add "as modified in G.O. No.
28 Public dated 10th January 1891."

The District Magistrates need
not report further on the subject.

The only other officer

Secys be awaited to see
how many of them
will refer to the G.D. of
1884.
