Read the following:-

From the Consulting to the Government of Madras, No: 5515, dated 25th March 1897:-

With reference to G.O., No: 785 W, dated 18th March 1897, sanctioning the estimate amounting to Rs. 647 for constructing Matron's kitchen bath-room and tank partition in the nurse's room at the General Hospital for immediate execution I have the honour to state that the Principal Medical Officer considers that it is not desirable to carry out this work also until after the Station Hospital has been made over. Under the circumstances the supplemental estimate has to be cancelled and the amount thereof considered as having been surrendered.

Order thereon No: 918 W dated 31st March 1897.

In the circumstances stated, a sum of Rs. 647 is withdrawn from the grant for minor additions to the General Hospital, and added to the Provincial reserve.
