PUBLIC DEPARTMENT.

READ—again the following papers:—

G.O., Mis. No. 1054, Public, dated 24th September 1896.

Read—the following letter from L. M. THORNTON, Esq., c.s.i., Deputy Secretary to the Government of India, Home Department (Establishments), to the Chief Secretary to the Government of Madras, dated Simla, the 8th September 1896, No. 5-Estabts.—668:—

I am directed to request that, with the permission of His Excellency the Governor in Council, the Government of India in the Military Department may be furnished regularly in future with the names of Military officers completing ten years from the date (subsequent to the 1st April 1884) of their first appointment in civil employ, in order that they may be removed from the effective list of the army and placed on the supernumerary list in accordance with the instructions laid down in article 280, Army Regulations, India, Volume I, Part I. It will be the most convenient arrangement if a return is submitted quarterly, giving the names of the officers who will complete ten years in civil employ during the coming quarter and the date of completing that term in each case.

2. I am to observe that, under the provisions of the above-mentioned article, Military officers who have completed ten years of civil employment before the 31st July last have been transferred to the supernumerary list in the notifications of the Government of India in the Military Department, Nos. 850 and 871, dated respectively the 24th and the 31st July 1896.

Order—Mis. No. 1054, Public, dated 24th September 1896.

The Accountant-General will be requested to furnish a consolidated quarterly return accordingly commencing with the 1st October 1896.
