To

The Principal Medical Officer,
Her Majesty's Forces in India.

Sir,

I am directed to forward the accompanying copy of correspondence on the subject of the amendment of paragraph 1687 Army Regulations India Volume VI, regarding the dismissal of pupil nurses

under training.

2. It will be observed that the Government of Bengal submit a revised draft for the amendment of the para. in question providing that the services of probationers may be dispensed with by the Principal of the Medical College for professional incompetence and by the Ladies Committee for faults of conduct. On the other hand the Government of Bombay and Madras consider that the power of dismissal should rest with the responsible medical officer, viz., in Bombay the Senior Medical Officer of the hospital in which the nurses are trained and in Madras the Superintendent of the Government Maternity Hospital.

3. I am to request if there is no objection that under the orders of His Excellency the Commander-in-Chief the paragraph quoted above may be corrected accordingly.

I am &ca.,

Sd/ E. DeBrath,

Depy. Secy. to the Govt. of India.
