to Madras. I have
spoken to Mr. Forbes
this morn & have shown
that it is wrong in
saying that it is the
Governor who should see to this
matter. It is entirely
in the name of Public.

NOTE FOR THE Chief Secretary

- ① Orders were issued to Madras by the Govt of India, Home Dept (Sanitary).
- ② The telegram re-quires Madras to send weekly health statistics to Alexandria. The Board of India Office is adding to authorities to whom statistics are now sent.

India's order that weekly mortality returns from the Presidency towns should be sent to Constantinople, Cairo & India (Hms) (vide para 9 of 49 of 280 Hmsd/27.5.82 C), was communicated to the Supd and also P.P.O by the Public Dept, and the special form prescribed at D was also sent by Public to the same officer.

After looking at the paper again it seems to me that the order should go out in Public as Home cannot send orders in name to the S.G. 20
15/5/97.

Statistics from
Madras would
appear to be a matter
for the Sanitary
Commissioner,
as to whom please
see p. 425 Public
d/ 14. 4. 97 (P)

③ It is submitted
that the corres-
pondence leading up
to the telegram,
and the wording
of the telegram
itself, show that
this should be
regarded as a
Special Sanitary
Order.
