GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers :—

G.O., No. 630, Public, dated 16th June 1896.

Letter from the Chief Secretary to Government, to the Deputy Adjutant-General, Madras Command, dated 16th November 1896, No. 1223.

I have the honour to invite your attention to paragraph 2 of the letter from the Government of India recorded in G.O., No. 630, Public, dated 16th June 1896, a copy of which is attached, and to suggest that, in future, correspondence intended for this Government may be forwarded direct to the Secretary in the department to which the subject under reference relates, instead of to the Chief Secretary in every case, as is at present the practice. This appears to be the intention of the letter referred to above, and the adoption of the system suggested would obviate unnecessary delays.

(Signed) A. T. ARUNDEL,
for *Chief Secretary*.

ORDER—No. 595, Public, dated 18th May 1897.

NOTE FOR THE Chief Secretary

With ref to the former
note on C1820 from the
Rev Dept in re Sappers
and miners for fam
duty, and the C's note
attached the following
remarks are respectfully
submitted:—

No rule stating the
correspondence is to be
carried on only bet
the D.A.G. & The Chief
Secretary, can be traced

The f. Os. on the point
are J.O. 630 Pub. d/16.6.96,
and letter N°1223 Pub. d/16.11.96, flagged B and C
respectively

India's letter in B
simply says that all official
correspondence between the
local Govts & the L.G.C
should be carried on
between the D.A.G. and
of the Command and the
Secretaries to the local
Govts. That this

the chief Secy only
ie, it is submitted, to be
inferred from
the letter at C in
which the D. A. G. was
requested to forward
correspondence "intended
for this foot direct to the
Secy in the dept. to which
the subject under reference
relates" instead of to
the Chief Secy in
each case"

Conversely therefore
the Secys of other depts
can communicate
to the D. A. G. direct
on matters relating
to those depts, without
making the D. A. G. a
medium of correspondence.

And indeed both
the Rev Dept and the
P. W. D. have been
corresponding direct
with the D. A. G. on
many subjects. It
is submitted therefore
that in the cases
at present in
question

question both those
depts have been
acting under a
misapprehension
in making Public
a post office.

It is further to be
remarked that the
action of the P. W. D.
in C. 1760 is utterly
inconsistent with
that in C. 1759; for
whereas in the former
case it addresses the
D. A. G. thru' Public on
a matter with which
Public is not concerned,
in the latter it addresses
the D. A. G. direct on a
Volunteer matter which
is the special province
of Public.

There is however
this to be said for the
P. W. D., viz, that the
letter at C was not,
as it is submitted,
ought to have
been communica-
ted to that Dept.
(or to Rev.)

It is submitted
that the attention
of these depts may
be drawn to the
matter and that
a copy of the
letter of C be sent
thence.

Yes.
