CURRENT No. 1916 OFFICE OF SURGEON-GENERAL
No. 32
38 WITH THE GOVERNMENT OF MADRAS,

From

SURGEON-MAJOR-GENERAL J. SIBTHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

I have the honour to acknowledge the receipt of G.O No. 516, Public, dated the 6th May 1897, regarding the withdrawal of two hospital assistants from Plague duty at Guntakul and their deputation to Anantapur for famine duty.

2. You will observe from the correspondence read in the G.O. that all arrangements in connection with this matter have been carried out in direct communication with the Medical Officer on Special Plague duty, Guntakul, without any previous reference to or consultation with me.

3. I may respectfully state that such direct inter-communication with the executive officers of the Department is not only unusual but is calculated to place this Department in a false position and lead to difficulties in the matter of administration. In the present instance I had already made arrangements at the request of the District Medical and Sanitary Officer, Anantapur, to send three extra hospital assistants to his district, and I am not aware whether the two men now withdrawn from Guntakul are wanted in addition to these three. If not, other orders will have to be issued to the latter, and this, apart from causing delay and correspondence, will entail unnecessary expenditure in the matter of travelling expenses.

4. Perhaps there might have been reasons which necessitated direct arrangements in the present case, but not
