Account.

READ—the following paper :—

G.O., No. 365, Public, dated 2nd April 1897.

Read—the following letter from Colonel M. J. KING-HARMAN, Deputy Secretary to the Government of India, Military Department, to the Controller of Military Accounts, Bengal Command, dated Fort William, 18th March 1897, No. 889 B. :—

In continuation of Military Department letter, No. 903 B., dated the 23rd March 1896, I am directed to state that, after considering the applications which have been received from volunteer corps, the Government of India have decided that the following distribution shall be made of the sum of Rs. 30,000 entered in the estimates of 1897-98 for grants to volunteer corps for providing armouries, magazines, headquarters, &c. :—

Corps.	Amount of grant sanctioned.	Purpose for which granted.
South Indian Railway Volunteer Rifle Corps.	Rs. 600	To complete the armoury, magazine and office room at Pákala.

2. I am to request that payments may be made as above. The grants sanctioned being made for specific purposes, should be drawn by corps only as required, and amounts remaining unexpended at the end of the official year will be held to have lapsed.

3. I am also to request that when making payments to corps their attention may be drawn to the rules marginally noted, which prescribe certain conditions on which money grants will, in future, be made to volunteer corps for providing their buildings, and lay down that when grants are made for providing Sergeant-Instructors' quarters, house-rent for the Instructors will not be payable.

Copy forwarded to the Secretary to the Government of Madras, Public Department.

Order—No. 365, Public, dated 2nd April 1897.

Communicated to the Deputy Adjutant-General, Madras Command, for the information of His Excellency the Lieutenant-General Commanding and to the Public Works Department.

(True Extract.)

for Chief Secretary.

ORDER—No. 1062 W., dated 21st April 1897.

Communicated to the Superintending Engineer, IV Circle.

2. The special grant of Rs. 3,200 made by the Government of India in 1896-97 for the construction of an armoury and magazine at Pákala, was, as intimated in G.O., No. 832 W., dated 22nd March 1897, communicated too late to be utilized, and the money consequently lapsed. No grant has been made by the Government of India for the Sergeant-Instructors' quarters in 1897-98, and the small allotment of Rs. 600 now made for the armoury and magazine will be useless for a commencement of the buildings. His Excellency the Lieutenant-General Commanding the Forces is requested to report whether there is any likelihood of a further grant being obtained from the Government of India in the current official year.
