PUBLIC DEPARTMENT.

READ—the following paper:—

From Captain C. H. SELWYN, Assistant Secretary to the Government of India, Military Department, to the Chief Secretary to the Government of Madras, dated Simla, 15th May 1897, No. 1360-B.

It has been noticed that, in submitting draft General Orders for notification in the *Gazette of India*, making appointments or promotions in volunteer corps to complete the establishment, Local Governments have in some cases failed to comply with the provisions of paragraph 72, Army Regulations, India, Volume IX, Volunteers, Provisional Issue, in which it is laid down that, when recommendations are made "to fill existing vacancies" in volunteer corps or "to complete the establishment," it should be explicitly stated in whose room and why the appointments or promotions are recommended.

2. I am accordingly directed to invite attention to the paragraph in question, and to request the favour of the instructions contained therein being complied with in submitting such notifications to the Government of India for publication in the gazette.

ORDER—No. 695, Public, dated 2nd June 1897.

Communicated to the Deputy Adjutant-General, Madras Command, for the information of the Lieutenant-General Commanding and for favour of the necessary instructions being communicated to the General Officers Commanding Districts.
