The Chief Secretary to the Government of Madras
Madras.

Sir, Herewith I send my application to the Government of India for nomination to the competitive examination for admission into the Finance Department.

My qualifications are stated in my application, and I have appended copies of testimonials from Professors of the Presidency college, Madras where I studied from 1892-96.

I may state that till now no native of Madras has obtained admission into the Finance Department, while there are in the Department a large number of natives of other parts of India.

I have ventured to submit my application through the local Government, in the belief that if my candidature is supported by ~~you~~ ^{you}, I shall stand a very fair chance of being nominated.

I therefore request you to be kind enough to forward my application to the Government of India with such remarks as the local Government may deem fit to make.

I remain,

Sir,

your most obedient servant

FOR ORDERS

The above current contains an application to the Govt. of India from C.S. Balasundaram for nomination to the competitive examination for the next vacancy ~~that occurs~~ in the Finance dept. He has had a most distinguished career passing at the top of the list at the Matriculation of 1891, the First in Arts Examination of 1893, the B.A. Degree Examination (^{English} ~~Language~~) of 1896, and (Mathematics) of 1897. He reports his age to be about 18 years and submits copies of testimonials (as to character and ability) from Professors Stone and Stuart of the Presy. College where he studied for his degree.

2. Applicant sends also a covering letter to this Govt. requesting that his application may be forwarded ^{to India} with such remarks as H.E. the Governor in Council may deem fit to make. He adds, ~~that~~

Application for admission to the
Financial Dept. of the Govt. of India

H.M. & Circ:

I think we may forward the application with the remark (if it is a fact) that no Madrasni has as yet been put into the F.D. - I don't see how we can do more, for we know nothing of the young man's character

parenthesis, that no native of Madras has, as yet, obtained admission into the Finance dept., whereas there are in that dept. a large number of natives of other parts of India. He ventures to hope that, with the support of this Govt., he will stand a very fair chance of being nominated.

3. The Principal of the Presy. College forwards Palasundaram's letter with the remark that ^{he} ~~the latter~~ is one of the best students he has had in the College for many years, and that he considers him well worthy of ^a nomination.

4. There is no precedent. Papers about Mir Naline Ali Khan and of M.R.Ry.

S. Sathianadhan of the Educational dept. are put up. The former appears to have been nominated by India -vide G.O.No.

564, Edcl., d/ 23-7-01. From G.O.No.

1426 Finl., d/ 23rd Oct'r. 1885, it would

appear that M.R.Ry. S. Sathianadhan was

nominated on the D.O. recommendation of

the Hon'ble Mr. Carmichael to the Hon'ble

Mr.

Mr. T.C. Hope.

5. It is observed from the resolution recorded in G.O.No. 580 Finl., d/ 12" August 1895, (page 1 flagged) that a certificate of age will be required only after the nomination has been made.

Orders are solicited *as to whether*

(i) the application should be forwarded with remark.

(ii) Govt. should say that the applicant is a fit person to be nominated,

~ (iii) the application be returned to be submitted direct to the Secy to the Govt. of India.

Apparently application No. 3-597 should be made direct by the Candidate himself.
