GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

READ—the following paper :—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras,
to the Secretary to Government, Marine Department, dated 27th April
1897, No. 949/151 G.

In G.O., No. 161, Marine, dated 27th April 1888, it is laid down that correspondence between the Madras Harbour Trust Board and the Government on matters connected with port conservancy should pass through the Presidency Port Officer. In this connection I would suggest, for the consideration of Government, whether it would not be expedient to have a similar procedure laid down in the matter of correspondence between Collectors of maritime districts or other officials and Government in connection with maritime or port conservancy affairs at the several coast ports in this Presidency. It seems to me that, if such correspondence passed through the Presidency Port Officer, it will save the delay that must necessarily result by the papers in question having to be referred to that officer for his remarks before the orders of Government are passed thereon, as the papers when received in this office, from the officers concerned, can at once be endorsed with the necessary remarks of the Presidency Port Officer and forwarded on to Government. If this suggestion should meet with the approval of Government, I request that an order of Government or Gazette notification may be issued, so that the proposed procedure may be generally known among all officers corresponding with Government on matters connected with the coast ports or ships resorting to those ports.

ORDER—No. 425, Marine, dated 5th May 1897.

The proposals of the Presidency Port Officer are approved. The attention of officers concerned will be called to the procedure to be adopted.
