PUBLIC DEPARTMENT.

READ—again G.O., No. 433, Public, dated 17th April 1897.

READ—also the following paper :—

From F. T. BAGSHAW, Esq., Commissioner of Police, Madras, to the Chief Secretary to Government, dated 11th May 1897, No. 25.

With reference to the latter part of paragraph 1 of G.O., No. 433, Public, dated 17th April 1897, I have the honour to inform you that I made every endeavour to get the several District Magistrates (who alone delayed the submission of the returns) to forward their statements.

On 15th January 1897, District Magistrates, Górávari, Tinnevely and Kistna, were requested to send vagrancy statements in due time.

On 6th February 1897, District Magistrate, Tinnevely, was addressed in reply to his "nil" statement of vagrancy, stating that a vagrant was received from Tinnevely district, and informing that his vagrancy statements were overdue.

On 18th February 1897, District Magistrates, Górávari and Kistna, were informed that their vagrancy statements were overdue and requesting early submission.

On 27th February 1897, District Magistrate, Górávari, was informed, with reference to his "nil" statement of vagrancy, that a man was received from that district and that, owing to late submission of his returns, the returns to Government would have to be delayed.

On 4th March 1897, Form I only was received from District Magistrate, Kistna. He was written to to send Form IV also, and we enclosed sample forms.

On 9th March 1897, blank forms were sent to District Magistrate, Górávari, to be filled in and returned.

On 9th March 1897, blank forms were sent to District Magistrate, Tinnevely, to be filled in and returned.

Kistna District Magistrate only sent in his return on 5th April!

2. I am now having forms of vagrancy statements printed at the Government Press, Madras, and will send two to each District Magistrate to fill in and forward, but I doubt if this will be effectual without Government drawing the special attention of District Magistrates to the matter.

ORDER—No. 716, Public, dated 5th June 1897.

From the letter read above it appears that inordinate delays in the offices of the District Magistrates of Kistna, Górávari and Tinnevely were the cause of the late submission to Government of the annual report on the working of the European Vagrancy Act for 1896. An advance reminder was sent by the Commissioner of Police to each of the districts named above, and there seems to have been no valid reason for unpunctuality. The District Magistrates will be requested to see that such delays do not recur.

2. The attention of all District Magistrates will be called to the necessity for co-operating with the Commissioner, in order to ensure the punctual submission to Government of the annual report on the working of the European Vagrancy Act.
