Improvements to the Well

FOR ORDERS.

Please see the notes
at N in fo. N° 20 Pub 4/9.1.97.
Para 1 of that order (A), requested
the P. W. D. to prepare with the
least possible delay an Estimate
for improving the building
used ^{as} the Medical
Store Depot as suggested by
the Consulting Architect.

The P. W. D. now
forwards 2 plans & Estimate
with the remarks that the
portion of the Estimate amount-
ing to Rs 3,738, which
provides for repairing
the Roof, should be treated
as very urgent, and
sanctioned separately
if necessary so that
the work may be taken

in hand at once.

The total estimate amounts to Rs 14,840. It will be observed, with ref to para 2 of G.O. No 20 Pt Bd/7.1.97, A that the question, whether Provincial funds should continue to provide that the Store Depot is under the direct control of the Director Genl I.M.S. to bear the charge of providing accommodation for the medical stores, has been referred by the P.W.D. to the Govt of India - vide para 2 of G.O. 218 Wd/23.1.97 recorded in G.O. 92 Pt Bd/2.2.97 B.

The Report D & K with the estimate shows what is proposed to be done. The estimate has been divided vide P. so that orders may be passed at once on the roof work, the estimate for which is Rs 3738. The

Q

The remainder Rs 11,102 is for the extra work asked for by Surge Major Carruthers the majority of it being for bottle shelves. The Consulting Architect states that at present large quantities of bottles, medicines, instruments &c. are littered over the floor and that the improvements asked for will probably be found to be altogether necessary.

It is submitted that this part of the Estimate may well be allowed to lie over pending India's reply as to whether Prov. is, or is not, to bear the cost.

Orders are

in the circumstances
reported, sanction
may be accorded
to the estimates
for the repairs
to the roof.

Submitted that the repair
of the roof may be sanctioned
as if it is not done the
consequence may be serious damage
to the stores. It seems hardly
a case in which waiting until
the question as to who is to pay
is settled would be justifiable
