To

Her Most Gracious Majesty,

Victoria,

of the United Kingdom of
Great Britain and Ireland,

Queen,

Empress of India.

May it please your Majesty;

I the Rajah of
Bobbili, the present lineal repre-
- sentative and holder of this
ancient Zemindary, beg to approach
your Majesty on the auspicious
occasion of the completion of the 60th
year of your Majesty's reign, with
the most heart-felt and loyal con-
- gratulations of myself and other
subjects of this Zemindary. In the
humble address which I, in

Common

Common with other faithful
subjects of your Majesty, laid
at the foot of the throne on the
joyful occasion of the jubilee
of 1887, I strove to give expression
to my loyalty to the sovereign,
and my devoted personal respect
for ~~you~~^{her} not alone as the Ruler
but as the mother of her people.

I now respectfully repeat the
expression of those sentiments
of loyalty and devotion to your
Majesty's throne, and person, —
sentiments that the ten years that
have elapsed since my former
address, have only served to
engrave more deeply and more
indelibly

indelibly on the hearts of all
classes of your Majesty's subjects
in this Country.

It is I share in the
common belief that the benign
and magnanimous terms of India's
Magna Charta, the Proclamation
of 1858, were directly due to
promptings of your Majesty's
noble and generous mind and
heart.

I am gratefully conscious
that your Majesty's efforts have
always been exerted to confer on
this Country, the blessings of
peace within its borders, security
to

to person, property and religion,
the grant of equal privileges
to all, the development of
material prosperity, and the
education and enlightenment of
even the very poorest of its
inhabitants. The many blessings
that have been thus conferred
on the people of this land under
your Majesty's rule, have recently
been added to by the grant of
new political privileges through
the institution of representation
on the Legislative Councils.

Your Majesty has hereby afforded
another signal proof of confidence

in their inalienable loyalty and
steadfast attachment.

The deep personal sympathy
which your Majesty has graciously
evinced with the sufferings of
our fellow-subjects, who are
at present affected by —
Plague and Famine, has touched
the heart of everyone amongst
us.

I join the inhabitants of
every portion of your Majesty's
worldwide empire, in an earnest
and heartfelt prayer for the
long Continuance of your Majesty's
beneficent

beneficent reign and for the
welfare of your Majesty and
the Royal Family.

With the sentiments of the
deepest loyalty and
attachment,
I beg to subscribe myself,
your Majesty's most
obedient and devoted
subject,

Rajah of Bobbili.

NOTE FOR THE C.S.

In para 2 of his letter
the Collr of Vizagapatam
says he presumes that
the Rajah has sent the
original address and
casket to the U.S. at Madras
but is not positive.

This raises the question

Is the Collector to be
told by wire simply that
the address is approved
or also that, if the
address has not been
sent on to Madras,
it should be sent
here please? The U.S.
leaves Madras at
1 pm on Saturday.

A telegram may it
be submitted be sent
to the U.S. Port Mgr
asking if he has received
the casket or need to
give instructions to
the office to despatch
it if received on
receipt of the letter.
