Maintenance of Riding Horses by Revenue Officers.

Altering the additions made to the Indian Civil Service Manual as paragraph 65-A, section VII, of Part I, under G.O., No. 417 of 1897, regarding the —.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—again G.O., No. 417, Public, dated 10th April 1897.

READ—also the following paper:—

G.O., Mis. No. 2183, Revenue, dated 1st May 1897.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 1160, dated 26th March 1897:—

Resolution—Mis. No. 1160, dated 26th March 1897.

Before circulating the rules for the maintenance of riding horses by Revenue officers, the Board requests the orders of Government on the following points:—

(1) Rule 1 of the Board's rules limited the application of the rules to officers who are required to spend a portion of the year in touring. The Government has cut out this proviso. The omission is presumably an oversight. As the rule now stands, it would apply to Treasury Deputy Collectors and Secretaries to the Board.

(2) The Government has also ordered that all Collectors and all members of the Indian Civil Service in charge of a division should keep at least two animals, one of which at least must be a horse. The Board presumes that a horse is an animal of 14·2 or over. It would be as well to state this in the rules.

(True Extract.)

(Signed) R. C. C. CARR,
Secretary.

Order—Mis. No. 2183, Revenue, dated 1st May 1897.

The presumption in clause (1) of the proceedings read above is correct. The words "who is required to spend a portion of the year in touring" will accordingly be inserted after the word "Tahsildar" in line 2 of rule 1 as revised by Government.

2. With reference to clause (2) of the Board's Proceedings, the Government directs that, for the latter part of rule 1 commencing with the words "every Collector," the following be substituted:—

"Every Collector and every member of the Indian Civil Service in charge of a division—Two animals, one not less than 13·3, and the other not less than 14, hands in height.

"Divisional officers other than members of the Indian Civil Service—One animal not less than 13·3 in height.

"Tahsildars—One horse or pony."

(True Extract.)

(Signed) G. STOKES,
Ag. Secy. to Government.

To the Board of Revenue (Land Revenue).
Copy to the Public Department.

ORDER—No. 760, Public, dated 17th June 1897.

The additions made to the Indian Civil Service Manual as paragraph 65-A, section VII, of Part I, under G.O., No. 417, Public, dated 10th April 1897, will be altered as under:—

In the latter part of Rule 1—

For

"Every Collector one horse or pony"

Read

"Divisional officers other than members of the Indian Civil Service—One animal not less than 13·3 (hands) in height.

"Tahsildars—One horse or pony."

In rule (4), line 1, insert after the word "submit" the words "to the Board of Revenue".

FOR ORDERS.

I think that as regards the horse question
 orders of this kind should be taken: forming
 there were three classes of animals.
 ponies 13.2 & under.
 falloways over 13.2 & under 14.2.
 horses over 14.2 & over.

Now there are only two
 viz. ponies 14 & under
 horses over 14.

Regulation height is 14.2.

If this is to be taken as the standard
 then in the first of the Rules
 (1) beginning "Every collector" &
 ending with "horse" the words
 "not under 14.2" should be
 added after "horses".

It is quite evident that it is
 intended to be such to the

G.O. 10417 Public d/ 10.4.97 was drafted in accordance with the Rev. Secy's office note of the 1st ultimo. The order referred to in that office note has now been received (G.O. 2183 Rev d/ 11.5.97 also). Action on para 1 has already been taken. The substance of para 2 was, however, not communicated before. Please see the notes at . The latter part of rule (1) has therefore to be altered. Meanwhile the Financial Dept has

has raised a question with ref to rule 14.

It is pointed out that it is not clearly stated whether the ^{half yearly} returns are to be submitted to foot or to the Board, but that the form of return (vide Appendix to G.O. 447 Pub. d. 10.4.97) apparently contemplates the latter procedure.

C.W. Please see the original 12/5/97 Revenue G.O. (no 125, d. 15.2.97) just before

It seems to have been then intended that the rule should be issued by, & the return received by, the Board. The form of return printed as an appendix to G.O. no 447 Pub. d. 10.4.97. is that originally submitted by the Board. It is submitted that it was only intended that the return should go to the Board, & that, in publishing ^{in this manner} the correction, this should be stated, in words "to the Board".

12/6/97. If Revenue "very wanted" off to submit "in rule 14." The draft correction can then be sent to Rev^y for amendment.

The order referred to in that office note has been received (G.O. 2183 Rev. d. 1-5-97). Action on para 1 has already been taken. Please see the notes at C. The substance of para 2 was, however, not communicated before; and therefore the latter part of rule (1) in the Public G.O. quoted above has now to be modified. But a fixed definition of a horse has not been arrived at. The Board

presumes that a horse is an animal of 14.2 or over, while the Rev Dept lays down that it is one not less than 14 hands, and a pony not less than 13.3. Formerly there were three classes of animals, ponies 13.2 and under, galloways 13.2 and under 14.2, horses 14.2 and over. Now there are only two, viz ponies 14 and under, and horses over 14. Registration height is 14.2. I am directed by the U.S. to return this file to you. On enquiring at the Rev Dept, it appears that the Rev G.O. 2183 of 1st May (C. no 1737) was circulated to all the members of foot. The U.S. therefore thinks that it is unnecessary to send this paper again to the Hon Mr. Bhis. He desires me to ask you to get up the original of the Rev G.O. & show to the C.S. & get from him further orders as to the propriety or otherwise of circulating the same subject again in the Public Dept.

NOTE FOR THE Chief Secretary

Attention is solicited to the notes at G. on C 1737. The C.S. there thought that the horse question should be submitted for the orders of H. M. S.

This file was however under the U.S.S. instruction allowed to lie over with C. 1834 and 1850 (as he understood that the Rev. G.O. 2183 of 1.5.97 (C. 1737) was circulated to all members of foot.) until the original of that G.O. was available. This has ^{only} now been received

(I was in air with another Rev. file). It will be seen from the notes before that the H. M. S. have seen the papers but that they were not circulated to H. E. the Governor

Under the U.S. instruction above I have the file ^{re-submitted} to you with the original of G.O. 2183.
