SIR,

I have the honour to observe that in Government Order No 109 Public dated 5<sup>th</sup> February '97 the grant of a charge allowance of Rs. 10 was sanctioned for Hospital Assistants deputed to a distance from the scene of their ordinary work to duty solely connected with the plague.

In the letter from the Government of India to Madras Government No. 11 Sanitary Home Department dated 29 March '97 a copy of which has been communicated to me by the Government of India the grant of a deputation allowance of Annas 8 per diem to Civil Hospital Assistants employed on plague duty has been sanctioned.

I have the honour to enquire whether in view of the Government of India order above quoted Government deem fit to cancel its order of 5<sup>th</sup> February '97 or whether I should pass the allowan

Hon. Mr. W. C. B. 1342 C. 38/1000 Charge allowance to Hospl.  
H. E. The Government Assts. deputed on plague  
duty

N. M.

FOR ORDERS.

In para 3 (2) of G.O.  
1008 Pat. dt/ 30.11.91 Govt sanctioned  
a charge allowance of  
Rs 10 per mensem to Hospl.  
Assts. employed on cholera  
or festival duty, provided  
they are not drawing the  
allowance granted for  
an independent charge.  
In Jan'y last the Secy  
recommended  
that a similar allowance  
might be granted to  
Hospl Assts. deputed  
to inspect vessels  
or trains in connection  
with the plague.

This was accepted  
by Govt <sup>subject to the condition</sup> ~~with the proviso~~  
that the Hospl Asst. is,

under the orders of govt,  
deputed to a distance  
from the scene of his  
ordinary work to duty  
solely connected  
with the plague. vide G.O.  
N<sup>o</sup>. 109 Pub d/s. 2. 97  
and G.O. 1008 Pub d/s. 11. 91  
was amended accordingly

FOR ORDERS.

HON'BLE MEMBER.

Meanwhile India  
has sanctioned the grant  
for ~~deputation~~ deputation  
allowance of eight  
annas per diem to  
Civil Hoops Assts.  
employed on plague  
duty. Please see  
Mr. Nathan's letter dated  
G.O. 797 M d/s. 4. 97  
flagged. This was  
not communicated  
to Public.

With reference to the  
above facts the Acct  
Genl enquires whether  
in view of India's order,  
G.O. 109 Public d/s. 2. 97  
<sup>should</sup> ~~may~~ be considered  
as cancelled, or  
1 H 1 0 1 0 1 1

x I don't think it is  
true in "Sanctions".  
which means that the  
Officers referred to are  
to have a certain allowance  
when on plague duty.  
18

Yes - Anyway  
they can't get both allow-  
ances

17/5/97  
I would suggest that the simplest course would be to cancel  
the order of the 2nd of 97.

the allowances sanctioned  
in that order, in addition  
to that sanctioned by  
India.

Orders are solicited

CW.  
10/5/97 It is submitted that  
as long as the plague duty  
in the Presidency consists  
only of inspection for possible  
cases of plague, and no  
actual cases occur, the  
allowances already sanctioned  
are sufficient. The order  
of the Govt of India is merely  
permissive. (though even that,  
it is submitted, is unnecessary  
as local govt has power to  
sanction the allowances). ~~that~~  
it is not incumbent on Govt to  
grant the full allowance  
mentioned in the order.

MR. I do not consider that the  
12/5/97 duty on which our people  
are on plague duty within the meaning  
of the order of the 2nd of 97 and  
that this Govt. is therefore at full  
liberty to give them what it  
thinks fit.  
14/5/97.

Rs. 10, and to let them draw Rs. 15, the whole which  
Officers of this class draw in other parts of India.  
I think it may be held that these men are on  
plague duty.

A.S.H.  
21.5.97

The difference is not great, but in these  
days we really can't afford  
to neglect even small sums. So  
long as the duty is mainly of  
preventive character it is light  
work and I really think Rs. 10  
is enough for it.

AS  
26/5/97

But the Secy. Genl. asks whether the whole of  
Rs. 10 should be drawn in addition to the allowance  
of Rs. 15. Our answer should be No. The Secy.  
Genl. seems to take the reaction of the Govt. of  
India for the higher allowance in the order. If the Hon. Mr. Bliss objects to this ruling,  
I have no objection in joining with him in a  
reference to India.

Letter No. 765 of 17<sup>th</sup> June '97  
To the Secy to the Govt India  
Home Dept  
(Sanyal)

Sir

With ref to Mr Nathan's  
letter No 11 Sanyal 1154  
of the 29<sup>th</sup> March last,  
sanctioning a daily  
deputation allowance  
of Rs 8 to Hospital Asst  
employed on plague  
duty, I am directed  
to forward copy of  
the proceedings of this  
Govt No 764 of this date  
and to inform you  
that in its pro from  
which it will be seen  
that <sup>108 Rs per m</sup> ~~the Govt~~ has  
already sanctioned  
a monthly charge  
allowance of Rs 10  
to Hospital Assts deputed  
to a distance from  
the scene of their ordinary  
work to duty solely  
connected with the  
plague

2. The Asst Secy,  
I am to observe

seems to take the sanction  
of the Govt of India for the  
higher allowance as  
an order. The plague duty  
however on which Hospital  
Assts in this Presidency  
are employed consists  
merely in examining pas-  
sengers arriving at, or  
leaving, their respective  
stations, for possible cases  
of plague, and H.E. the Govt.  
in Council considers that  
so long as the work continues  
to be of so light a nature,  
the lower allowance of  
Rs 10 per mensem is ample

3. I am therefore to  
enquire whether in the  
circumstances stated  
it is incumbent on this  
Govt to grant the full allow-  
ance sanctioned by the  
Govt of India. The  
favour of an early reply is requested  
from order
