Read—letter from the Superintending Engineer, II Circle, No. 215 K.N., dated 21st April 1897.

Order—No. 1382 W., dated 25th May 1897.

There is no rule under which Mr. S. A. Jagadisa Aiyar, Assistant Engineer, can be granted a refund of travelling expenses for a journey undertaken to procure a medical certificate of fitness for the public service.

2. As, however, under clause (4), article IV of the rules, relating to the constitution of the Madras College of Engineering, all candidates for admission to the college must produce health and vaccination certificates, it will be considered in the Public Department whether students drafted into the Public Works Department from the college should again be required to produce health certificates under article 60, Civil Service Regulations, on first appointment to the department.
