Sir,

I have the honor to report that on the 12 February last the Captain of the B.S.N Company's S.S. "Gopalpara" landed a French passenger by name M. Imboud at Gopalpara in charge of 4 Constables. The passenger had been behaving in a very strange manner on board and 3 days after he left Rangoon, he threw his revolver overboard and cut himself in about 40 places with a razor, evidently intending to commit suicide. He was examined by the Senior Asst-Magistrate and sent to the District Surgeon for treatment. That officer certified him to be insane. But there being no accommodation at Waltair, the lunatic was sent down to Madras by train in a 2nd class carriage.

in charge of 4 Constables.

2. A sum of Rs 203-9-0 as noted in the margin was incurred in sending this lunatic to Madras. I therefore solicit Government sanction for the same.

I have the honor to be

The charges for the transit of
lunatics are ordinarily incurred
without sanction, but the amount
is, in this case, exceptionally
high, & therefore sanction is sought.
There does not appear
to be any provision for recovering
the cost of transit. Active States
which do not maintain asylums
have to pay the charges incurred
on account of their subjects, but
there is no similar provision
in regard to the British subject.

MADRAS LUNATIC ASYLUM,
Madras, 19 June 1897.

SURGEON-CAPTAIN C. L. Leet Parkes

SUPERINTENDENT,
MADRAS LUNATIC ASYLUM,

To

The Secretary to the
Surgeon General
with the Government

SIR,

A Mons. Dubaud was admitted into this
Asylum on the 20th Feb. last from Berhampore,
Gaujam District, by order of the Senior Assistant
Magistrate there, for Acute Mania, mild, &c.,
under treatment, improved somewhat, although still
troubled with delusions. I am of opinion, however,
that his immediate removal from the Tropics, is
very necessary for his (recovery) and with this object
in view, placed myself in communication with the
Consular Agent for France towards initiating ar-
rangements for his passage &c. to France — I
must mention that Mons. Dubaud is a native
of Marseilles, and is by profession, a wine merchant,
travelling in the East in connection with some firm
in France, and has a father living in Marseilles
who, on hearing of his incarceration in the Asylum,
telegraphed to know his welfare and sent funds
with the expressed wish that he should be
sent home to him. So, however, the case is

not

not one of "recovery" but of "handing over" to a relative or friend under the provisions of Section X of Act 36 of 1858 a difficulty arises as to his release from the Asylum. According to law a friend or relative must appear before the committing Magistrate (was, in this case, in the Gauvain District) and execute the usual indemnity or bail bond before he (the patient) can be discharged, provided, of course, that the Official visitors have no objection to his leaving the Asylum. But, it so happens that M^{rs}. Imbaud has no relative or friends in India who can undertake this duty, and hence this application that the Government may be moved to sanction the handing over of this case to the Consular Agent for France who may be considered to be acting 'in loco ^{of} parentis'.

2. From a letter received yesterday from the French Consul he has promised to find passage for M^{rs}. Imbaud by a Messageries Steamer leaving on the 14th July next, and I therefore request, that the orders of Govt on the matter may be sent very urgently to enable the requisite arrangements being made as well as possible, on foot, you

I have the honor to be

Sir

Your most obedient servant.
