Tour Programme of the Superintendent, Archaeological
Survey, Madras.

Approving, and communicating to the Government of India, the — for the year 1898-99.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From A. REA, Esq., Superintendent, Archaeological Survey, Madras, to the Chief Secretary to Government, dated Bangalore, 17th June 1897, No. 83.

With reference to G.O., No. 674, Public, dated 7th August 1891, I have the honour to submit a tour programme for the year 1898-99.

2. Operations during the present year 1897-98 were to be chiefly conducted in the Tinnevely district. On account, however, of extra work at Trichinopoly and Conjeeveram during the past year, it was not found possible to complete the work at the latter place. There is still a large amount to be done. This will be undertaken during the present year. On its completion, the camp will be moved to Tinnevely.

3. Thus only a portion of the Tinnevely programme can be done this year, and I would propose to carry it on during next year also. There is also a large amount of interesting work in the district, other than that included in the programme for 1897-98 (Sewell's Lists, pages 303-314); and whatever of this it is found possible to do, will be taken in hand.

ORDER—No. 844, Public, dated 1st July 1897.

The programme is approved and will be communicated to the Government of India.
