COMMUNION

16 June 1897

My dear Mr. Price,
I received your D. C. re the Service

at Ootacamund on Sunday the 20th -
enclosing the notification proposed to be
issued only last evening - I hope you have
received the following Telegram sent off
"Notification re Ootacamund Church Sunday next.
just received. Please too late for me to
arrange Please substitute Chaplain
Ootacamund for my name in notification"

2. The fact is it is really too late
to make any elaborate arrangements for
Sunday. These all require time. It took
me weeks to arrange for the Service.

A // Bishop Malles Consecration - unholy
each person who had to be turned out of his seat

16/

ascertaining what persons besides could give up their seats
for giving their seats: having plans made of
the seats in the Cathedral. Communicating with
the Police & printing instructions etc. - Had I
known some fortnight before that this kind of
notification concerning seats etc was going to be
issued I would have given Wright in the
way.

3. The question is what is to be done
in the short time before Sunday. I recommend
as follows

(a) The idea of tickets of admission to
give up -

(b) Wright leave the seat holders generally
to go to their own seats -

(c) Have the knowledge Wright has as
Chaplain of the Station - & from my
further information to be gained in
communication with go to Civil Officer

27
With the ~~Deputy~~ Adjutant General to
Military Officers: he Wright should decide how
many seats are required for Gov. Officers & their
families beyond those who are seat holders - He
should then - it being a Gov. Church - take
possession of the required number of seats for
Gov. Officers & their families for being seat holders
by placing or putting in good sized papers with
the words "Reserved for Gov. Officers & their
Families".

(d) For Judges of the High Court as any other
to High Officials for being seat holders
seats should be provided with the words
Reserved for Judges of the High Court: etc.

(e) When necessary to take possession of
his official seat holder from for the above purpose
they should be as far as time allows informed
before hand - & give seats by tickets placed
in other few times does the Church -

(6) As Sunday Morning Inspection is Contingent
should be placed at each door & old to
admit more but officials & their families, and
seatholders up to the time of service - 11:30 a.m.
or 11 whichever the case may be

(7) Inside the Church Wright himself: Mr. Laid
Trustees - and any other h. may call to help
should at once see that people who entering
are shown to the seats

(8) At 11:30 ^{at 11:30} The Police should admit for
outside enough law officials & for seatholders
to fill the Church - all unoccupied seats
being free at the time of ^{commencement} the service - up
to which time none should be admitted
who are law officials & their families & a
who are for seatholders.

(9) The Asst. Supt of Police should be
to duty in the Church & see that the

27
that the door cases are. Then instructions - and
also the Church officials inside where necessary.

Wired Wright. East night. to communicate
with J.W. - I have to get with ready for my
sermons to the British troops at Wellington
at the 11 o'clock Parade Service on Sunday -
& at the 4:30 p.m. Service here there admit
to accordance with some of the Home films -
I am to preach for the Hospital which is
badly in need of help - & otherwise I would
have driven in & see Wright personally - but
I am communicating with him & letting him be

14th June 1897.

My dear Sir,

With reference to the Archdeacon's telegram in which he has expressed his opinion and considers that the Archdeacon's presence in Adasamund for the purpose of settling the distribution of seats is necessary, and that the Archdeacon must be called in for this purpose. Tomorrow is Council day, as you know, & his

you to tell the Archdeacon

I am directed to ask you to be present at the Council Chamber tomorrow (Friday) at 12 noon, in order to settle the question of the distribution of sittings at the Thanksgiving Service on Sunday. H.E. the Governor and Hon'ble Members will be present as also will H.E. Military Secretary. I am under ^{the} instructions of H.E. the Governor, also telegraphed to the Archdeacon asking him to do so. It would be as well if you brought with you plans of the sittings: one showing the pews as reserved and the other blank one to admit of the proposed distribution being carried out. A spare copy or two of the plan of the sittings would probably be useful. Please also make note of other points regarding Settlement so that everything may be decided tomorrow.

My dear Wright
Sms Telephone to me

as follows:-

"Remilly has since written to
Cowdell to say that there will be
no room for the volunteers in
church tomorrow morning and
suggesting that they attend the
second service which is being held
tomorrow evening"

This settles the matter
from what I have heard before
finally. I have heard before

Jim Rownly has given Cordell a
distinct enough "no".

Similarly that he has given Cordell
very decided "no"

Yours sincerely
