CURRENT No. 2304 Revenue Department.

Proceedings of the Indian Government.

Read the following Proceedings of the Board of Revenue (Revenue Settlement, &c) dated 3rd June 1897, No. 4059 M.L. :-
Resolution.

The Finance Commissioner begs to report, for the information of Government, that his proceedings are now being issued as Board's Proceedings and sanction is solicited for the continuance of this practice. Any other course will break the continuity of the proceedings issued on the subject of the present distress and necessitate the maintenance of separate registers and records involving the establishment of a large additional establishment. The Finance Department is theoretically a department of the Board and it is not clear how in any other way a continuous record can be maintained. The Proceedings of course are and purport to be those of the Finance Commissioner only and not those of the Board. It would probably be better to head them as "Proceedings of the Finance Commissioner" only but in that case there would be a difficulty in registering and binding them. As the Finance Department is always a part of one of the Board portfolios, the Board's Proceedings in that department ought to contain all finance proceedings complete for future reference.

Order thereon No. 4013 M.L. 4/15th June 1897.
