From

Acting Collector of
Bellary.

To
The Secretary to the
Board of Examiners,
Madras.

Sir,
With reference to your letter
No 259, dated 19th June 1897, I
have the honor to urge very strongly
that Mr Lloyd may be considered
to have passed in the one subject
in which he is required to qualify
to complete the second standard.
2. Mr Lloyd has been given
the charge of the Adoni Taluk
and

and the heavy famine work which
he has had to do, has I fear, seriously
interfered with his preparation
for examination. His absence from the Taluk too,
at this crisis, is most undesirable. Discipline on the works has become
very lax in Adoni, owing to various
causes, and cholera has just broken
out. These are both matters of
great importance which require
Mr Lloyd's presence. I would not
make this recommendation were
I not convinced that the public
interests will be best served
by the adoption of the course
proposed, and I may add that I
do not think Mr Lloyd's useful-
ness will be impaired by his
mission to pass the test.

Submitted for the favorable
consideration of Government.
2. Mr Lloyd has passed the
Test according to the Higher
Standard in all subjects except
Revenue, in which subject
however he succeeded in obtain-
ing 90 out of the 100 marks
required for a pass. In the opinion
of the undersigned it may be
confidently assumed that Mr
Lloyd would have passed if he
had been allowed to appear
at the examination which is
