PUBLIC DEPARTMENT.

READ—again G.O., No. 974, Public, dated 8th September 1896.

READ—also the following paper:—

From J. P. HEWETT, Esq., C.I.E., Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Simla, 30th June 1897, No. 1288.

In Home Department Resolution, No. 10-Publi —21-1240, dated the 31st July 1896, sanctioning the transfer of the statistical work of the Home Department to the Director-General of Statistics, it was stated that copies of the reports or returns necessary for the preparation of the statistics in question would be furnished to the Director-General from this department. As this practice is not conducive to the prompt compilation of the statistics by the Statistical Bureau, the Government of India have, at the instance of the Director-General, decided that in future he should be furnished direct by the Local Governments and Administrations with an advance copy (in print or in manuscript) of each set of the annual returns or tables appended to the Provincial annual reports dealt with in the Home Department, as soon as such returns or tables are compiled in the form in which they are to be published in the annual reports and, where necessary, verified by the Account department. The annual reports and returns when finally approved and published by the Local Governments and Administrations should be submitted to the Home Department in the usual manner.

2. I am to request that, with the permission of the Governor in Council, the necessary instructions may be issued for compliance with the above orders.
