NOTE FOR THE CHIEF SECRETARY.

S. O. Krishnajiagar's reply to the C.S.'s memo at is submitted for orders. In the notes with his original application it was shown that in 1894 he gave the date of his birth as September 1877 and in 1896 as December 1875. The latter date he said was confirmed by a horoscope in his possession.

In his latest communication he states that in July 1892 "with the advice of his father by his side" he gave his age to the Magistrate Tahsildar of Patna as "going on 17". This would make him now 22. But in the same letter, para 3 he says that in his admission register of Feb 1894 kept in the records of the Native College his age is given as 14 "which corresponds to the age of my horoscope" according to this he would be 21.

The file has just been returned from the Private Secy's office without remark. vide please notes below. Does the C.S. wish any
