From

Denzil Ibbetson, Esq.,
Secretary to the Government of India.

To

The Honourable Colonial Secretary,
Straits Settlements.

Calcutta, the 22nd January 1897.

With reference to the Annual Report on Indian Immigration in the Straits Settlements for the year 1895, which was forwarded with your letter No. 2377 dated the 27th August 1896, I am directed to forward for the information of His Excellency the Governor, a copy of a letter from the Government of Madras, commenting on the large number of desertions among Indian immigrants employed on the Gula Estate in Perak, as shown in Appendix D of the Report.

2. The Government of India agree with the Madras Government that the matter is deserving of the serious attention of the Colonial Government which has indeed already been invited to it in my letter No.2798-69 of 18th October 1894. The Gula Estate employs three fourths of the total immigrant population in the Protected States and the death rate is high.

The reasons given in paragraph 17 of the Report for the large number of desertions appear to apply with equal force to all other estates; and the condition of affairs which the figures disclose seems to call for

inquiry

inquiry and attention.

I have the honour to be,

Sir,

Your most obedient servant,

Sd. Danzil Ibbetson.

Secretary.
