FROM

E. MACONOCHE, Esq., I.C.S.,

Offg. Under-Secretary to the Government of India,

To

The Chief Secretary to the Government of Madras.

Simla, the 9th July 1897

SIR,

With reference to the correspondence ending with your letter No. 624-Public-dated the 22nd May last, I am directed to say that the Government of India were about to address the Government of Madras and to request that special efforts might be made to expedite the building of the Kodaikanal Observatory, as they have reason to believe that scientific opinion in England is awaiting with keen interest the setting on foot of solar spectra observations in India. I am to ask that, with the Governor in Council's permission, the building may be pushed on as rapidly as possible under the personal superintendence of the Astronomer.

I have the honour to be,

Sir,

Your most obedient servant,

E. Maconochie

Offg. Under-Secretary.
