3. With regard to the local administration
concerned, I am to remark that the South
Andaman Volunteer Rifle Corps is under the
Chief Commissioner of the Andaman and
Nicobar Islands and Superintendent of Port
Blair, and it is provided under paragraph
528, Army Regulations, India, Volume IX, Pro-
-visional Issue, that questions regarding the
appointment of officers to Volunteer Corps should
be submitted to the local administration. As
however, the matter is one which also affects the
Chief Commissioner personally, I am to observe
that the procedure followed in forwarding the

Commandant,
East Coast Rifle Vols.

To

The Asst. Adjutant General,
Madras District,
Madras.

Sir,

In continuation of my telegram dated 30 $\frac{4}{97}$
I have the honor to bring to notice the difficulties
under which the Corps labours in the matter of
obtaining the signature of all members to the
Statements in connection with act X.

2. In the first instance in compliance with
your letter No. 2314 dated 15. 6. 96 the signatures
of 345 Volunteers were obtained on manuscript
forms the originals being filed in this Office and
a printed form being sent for record in your
Office - This involved considerable time and
labour - but on its completion your No. 3121 of
7th August 1896 directed the list to be printed &
consequently lists were struck off and again
sent round for signatures - finally your No. $\frac{4085}{A}$

dated 28-10-96 para 3 directed the names of Members to be arranged alphabetically (this was not originally understood from G. O. P. D. No. 558 of 23.5.96). This involved further delay as the local printing Office could not print the form required under 4 proofs and it was not till ~~end of~~ January 1897 that undersigned could get a proper proof from Messrs. Addison & Co Madras. The list has been in circulation now since January and 260 signatures only out of a total of 484 have been obtained. All despatch in the matter has been and is being made and the rolls will be submitted, as soon as possible, but it will take about a month or so more to complete.

Many men who were on the original list have left the District and many fresh Volunteers have been enrolled - The greatest difficulty has been experienced in circulating one single roll for the whole Corps, as it has to be constantly bandied about from one company to another, as men are continually going on circuit in their own Districts and are not forthcoming when their signature is required. I must therefore ask you to accept this explanation of the delay - which has been

unavoidable.

I have the honor to be
Sir,

Your Obedient Servant.

28 May 1897-

The Chief Secretary to the Government of Madras

Forwarded with reference to S.O.

N. 343, Public, dated 29th March 1897.

2 The Commandant East Coast
Rifle Volunteers has been informed that it was
not necessary for one roll to be printed for the
whole Corps and that the simpler plan would have
been to print a separate roll for each company.

Dated Madras 14 June 1897

Sir

In continuation of my No. 10 C dated 5th May 1897 I have the honor to forward herewith the Roll containing the names of the members of this Corps who agree to be bound by the provisions of Act I of 1896.

I pointed out in my above quoted letter the reason for the delay in submitting this Roll.

The roll is in a very dirty condition but this was unavoidable as the Sergeant Instructors had to get men's signature in the Railway workshops and while the men were actually at work, and the paper has of necessity been handed about from hand to hand.

Out of a total number in the Corps of 552, those enrolled subsequent to issue of Act I Number 42 and are consequently bound by this Act. Those who have signed the roll 366. Those who have not signed 186. Making

II.

Total N^o who agree re:- 304
Total N^o who do not agree:- 62
Total 366

I have the honor to be.

Sir

Your most obedient servant.
