Resolution.

The papers read above relate to the survey training

training of Assistant Collectors and Probationary Deputy Collectors and the subjoined statement shows the names of the officers whom it is proposed to depute for Survey training during the current year and the schools to which they are to be attached.

2. Of the three officers ordered to be attached to the Survey schools at Waltair - vide Board's Progs. No. 1945 MIs, dated 31st May 1897 the Board directs that the training of Mr. H. L. Braidwood be postponed till next year as the Collector of Vizagapatam reports that it is not convenient to spare him for training either at Waltair or at Bellary. As re-

Mr. H.L.Braidwood.

Mr. A.C.Woodhouse.

M.R.Py.K.V.Srinivasa Aiyangar.

gards Mr. A. C. Woodhouse the collector of Godavari proposes, in view of the pressure of famine work, that he may be permitted to be trained by Mr. Hasted when he visits the district for the conduct of the survey schools in the autumn. The Board sees no objection to this course and accordingly requests the Superintendent, Madras Survey to make the necessary arrangements. The Collector of Kistna proposes to send M. R. Py. K. V. Srinivasa Iyengar to the Survey School at Bellary as he could not be relieved in time to join the school at Waltair. This is approved.

3. The Collector of Bellary suggests that the Survey School at Bellary may be opened in August next to enable his Assistant Collector Mr. J. M. Turing to join it after appearing for the Lower Standard Examination to be held in Madras in July next. As Mr. A. Y. G. Campbell, M. R. Py. K. V. Srinivasa Aiyangar and T. Raghaviah have been ordered to join the Survey school at the above station on the 1st proximo, the Board prefers to leave the arrangements already made undisturbed. The Survey training of Mr. J.M. Turing may be postponed till next year or he may be sent to the school at Madura which opens on the 1st August next.

4. The Collector of Kistna enquires whether M. R. Py. C. Hanumantha Rau who has already been confirmed as a Deputy Collector should be made to undergo the prescribed training in survey. The Collector's query will be answered in the affirmative. The Collector states that the Deputy Collector who is in charge of the Sub-Collector's division cannot be deputed for survey training now.

The Board sees no objection to his training being postponed till

next year. The Collector of North Arcot states that Mr. E. H. Wallace prefers to postpone his survey training till next year. The Collector is informed that in the absence of valid reasons for the postponement, it is desirable that Assistant Collectors should undergo the prescribed training in survey during the first year of their service. Vide para 2 of Board's Proceedings No. 146 dated 16th April 1896. If possible, he should be sent to the school at Madura in August next.
