Local & Municipal DEPARTMENT,

SIR,

2. The Surgeon-General with the Government of Bombay issued the necessary instructions and some of the officers including Drs. Jameson and Kinkor reported to me their proposed date of departure.

3. I have now received the enclosed letters from them stating that they cannot proceed as reported as they have been detained by the Chairman of the Poona City Plague Committee to do temporary duty at Poona.

Spoke from the question as to how far the Chairman of the Committee is justified in his action, the detention of these officers will seriously interfere with our arrangements.

5. I therefore request that Government will be pleased to wire the Bombay Government with a view to these officers and the other three being sent to join their appointments in this Presidency without further delay.

I have the honor to be,

Sir,

Your most obedient Servant,
