SURGEON-MAJOR-GENERAL F. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

A With reference to para. 2 of G.O. No. 74, Public
dated the 17th January 1898 and received in the
office on the 26th idem, I have the honor to
state that as will be seen from my letter
no: 443, dated 10th November 1897 and G.O.
E no: 1481, Public, dated 12th idem, the original
idea was to utilize the services of the
fine private doctors for plague duty,
but as in G.O. no: 1546, Public, dated 24th
November 1897, Government suggested
that they should be posted to ordinary
work, I submitted the scheme since
sanctioned by Government.

The enclosed is blank
in the original.

2. I quite agree with Government
that a practitioner with Dr. Dalal's acquan-
-tances with oriental languages will be very
useful for a plague inspection post and I
would suggest that he be posted to
Guntakal which is nearer Bombay than
any

my other Junction on the Madras Line.

3. Should Government approve of this I would propose that Dr. Jameson who is under orders to Berhampore may be sent to Rajahmundry vice Surgeon Major Sarkis who has been posted to Arkonum, and that Surgeon-Major H. Thomson be allowed to remain where he is. As the District of Gajain is far away and isolated, it is undesirable that it should be placed in charge of a Medical Officer who knows nothing about India and its people.

4. With reference to para. 2 of my letter No. 75 of yesterday's date to the Local and Municipal Department, copy attached, I consider Dr. Dalal quite competent to supervise the pilgrims at Guntakal.

5. I request very early orders of Government on this letter to enable me to wire instructions to the Medical Officers concerned.

I have the honor to be,

Sir,

Your most obedient Servant,

C. Vincent.
