Madras, *6th November* 1897.

No. *423*

From

CB.
 SURGEON-MAJOR-GENERAL C. SIETHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Financial DEPARTMENT

SIR,

I have the honor to state that Retired Military Apothecary P. J. Falconer, who was temporarily embarked in accordance with G.O. No. 467, Public, dated the 28th April 1897, was relieved of his duties at Sirkkoilur on the 31st August 1897 and directed by the District Medical and Sanitary Officer, South Arcot, to report himself at my office for further orders. Accordingly he did so on the 2nd September 1897.

2. On the 7th September, directed to proceed to Bellary and to report himself to the District Medical & Sanitary Officer there for famine duty which he did on the 19th September 1897 but the District Medical & Sanitary Officer did not at once utilize his services as the application of Retired Assistant Surgeon Watts who was on the spot was then under consideration. The latter applicant having subsequently changed his mind, Retired Apothecary Falconer was ordered on the 23rd September to proceed to Adoni on Famine duty. The Accountant General

General, who has been consulted on the subject, reports that pay is not admissible to him for the period he was awaiting orders (viz., from 9th to 22nd September) as he had no permanent appointment under Government.

4. As it would be a great hardship if Mr. Falconer is deprived of pay for the time he was awaiting orders and as he proceeded to Bellary under competent authority and reported himself for duty. I request that Government will be pleased to authorize the Accountant-General to grant him pay for the period in question as it is not fair that he should be made to suffer for no fault of his own.
