## PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again G.O.No.1625 Pub.dated 10th December 1897, communicating with remarks to the Collectors concerned letter from the Surgeon General regarding the provision of suitable quarters to live in for the Commissioned Medical Officers appointed to Plague Inspection Stations.

Read also endorsement of the Public Department, No.112, dated 15th January 1898, transferring with notes replies from the Collectors of Bellary, Anantapur, Coimbatore, Kistna and North Arcot to G.O.No.1625, dated 10th December 1897.

Order No.238 M.Mis..dated 27th January 1898.

The Government observes that suitable accommodation for the Commissioned Medical Officer to be posted to the plague inspection station at Arkonam is already available. The travellers' bungalow at Hospet may continue to be occupied by the Medical Officer, and at Kondapalli the Medical Officer may occupy either the travellers' bungalow or the temporary quarters, which, from the Collector's letter, appear to be under construction. The Collectors of Anantapur and Coimbatore are requested to arrange for the construction of temporary sheds for the accommodation of the Medical Officers at Guntakal and Podanur. The Government considers that thatched huts with sides of bamboo matting can be made sufficiently comfortable.
