FURTHER PAPERS.

G.O.	No.	Department.	Date.

No. 3557, dated Allahabad, the 25th November 1897.
 From—The Chief Secretary to the Government of the North-Western Provinces and Oudh,
 To—The Secretary to the Government of India, Home Department.

I am directed to forward, for the favourable consideration and orders of the Government of India, a copy of a letter from the Inspector General of Civil Hospitals, North-Western Provinces and Oudh, No. G-8570, dated the 10th November 1897, and of its enclosure, recommending that Uncovenanted Medical Officers when deputed on plague duty should be given an allowance similar to that sanctioned under Article 101 of the Civil Service Regulations for officers of the Indian Medical Service in Home Department letter No. 12 (Sanitary)—1218, dated the 7th April 1897, while on plague duty.

2. In the opinion of His Honour the Lieutenant-Governor and Chief Commissioner there seems to be no reason why an Uncovenanted Medical Officer, who is a Civil Surgeon, should not, when temporarily employed on plague duty, receive the same allowance as an officer of the Indian Medical Service employed as a Civil Surgeon when deputed on similar duty. I am therefore to recommend that the proposal of the Inspector General of Civil Hospitals may be sanctioned.

No. 5611, dated the 25th October 1897.

From—The Sanitary Commissioner, North-Western Provinces and Oudh,
 To—The Inspector General of Civil Hospitals, North-Western Provinces and Oudh.

I have the honour to call attention to the fact that Commissioned Medical Officers and subordinates on the regular staff of the Provinces are put to considerable pecuniary loss when withdrawn from their stations and employed on plague duty. The duties are onerous, and not unattended with risk, and there is of course no opportunity whatever of increasing their income by private practice.

2. I have the honour therefore to request that, if you approve, the Government may be asked to place these officers on the same footing as regards allowances as officers drawn from the Military Department for the purpose.

No. G.—8570, dated the 10th November 1897.

From—The Inspector General of Civil Hospitals, North-Western Provinces and Oudh,
 To—The Chief Secretary to the Government of the North-Western Provinces and Oudh.

I have the honour to forward, for the favourable consideration of Government, copy of letter No. 5611, dated the 25th October 1897, from Surgeon-Lieutenant-Colonel Thomson, Sanitary Commissioner, North-Western Provinces and Oudh.

2. It appears to me that No. 12 (Sanitary) of the 7th April 1897, Home Department, Government of India, provides for the allowances asked for in the case of officers of the Indian Medical Service deputed to plague duty within the Province in which they are serving at the time of their deputation.

3. In the cases of officers up to 5 years' service the allowance would therefore be Rs200 per mensem, and to those of 5 years' service and above Rs300 per mensem.

Uncovenanted Medical Officers might be placed in the same category. Dr. MacLeod, employed on platform inspection duty, would therefore receive Rs200 per mensem, in addition to his pay as Civil Surgeon.

4. Civil Assistant Surgeons already receive Rs2 a day deputation allowance, and Hospital Assistants 8 annas a day, vide No. 11 (Sanitary) of the 29th March 1897, Home Department, Government of India.

5. In the case of Compounders I have already addressed a separate letter (No. G.—8569 of the 10th November 1897) to Government, asking for an allowance of Rs5 per mensem.
