Military Nurse Pupils in the Government Maternity Hospital.

PUBLIC DEPARTMENT.

LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
MILITARY DEPARTMENT.

SIR,

I am directed to refer to Captain Collen's letter, No. 1006-S.C., dated Simla, 11th October 1882, communicating to the Military Department of this Government the assent of the Government of India to the terms of a draft circular regarding the training of soldiers' wives as sick nurses in the Madras civil hospitals.

2. Under the terms of that circular, a sum of Rs. 20 per mensem is to be paid for each woman in training, viz., Rs. 15 for rations and Rs. 5 towards the cost of the training establishment. The allowance for rations was fixed at the same sum as was at the date of the circular found sufficient for civil nurses and probationers. Owing, however, to the increased cost of living at the Presidency town, this Government has lately found it necessary to raise the ration allowance of civil nurses and pupils from Rs. 15 to Rs. 20. I am accordingly to request that the Government of India will be pleased to sanction a corresponding increase of Rs. 5 on the amount allowed for each military nurse pupil. The present sum is reported by the Surgeon-General to be insufficient, and further the increase is rendered necessary by the fact that the nurses and pupils, civil and military, mess in common, and should therefore be on the same footing as regards ration allowance.

I have the honour to be,

Sir,

Your most obedient servant,

In his letter

 para 2. he said that the midwifery

 for month more, as the Superintendent
 points out that the Rs 15 per

 for their rations.

In his letter of
 19th Nov. 1896 on the Training school

 Gen. Hospital, para. 5, he said,
 'The Senior Med. Officer and the

 the S.G. said that the Supt.

No doubt during
 the past year prices have been
 high, but if either the present
 proposal is unnecessary, or the
 scheme scale proposed by the
 S.G. in 1894-5 (G.O. III) was
 inadequate.

This expenditure, however, is for
