Sir

I have the honor to request that
you will forward the following
application to Government for
consideration

The enclosed certificate shows
that I was prevented by sickness
from appearing at the examination

in Revenue Law on the morning of
Jan 6th last, this I was able to
attend the visa the next day.

As this is the 3rd time I have been
up for the Higher Standard examination
I venture to ask if it would be possible
for a second paper to be set me in lieu
of that for which I was unable to
appear.

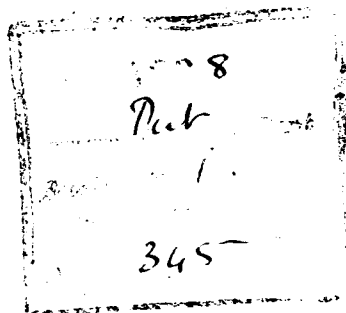

I should have made this application
earlier but urgent private affairs

caused delay in obtaining the
certificate which only reached me
yesterday

I have the honor to be Sir your
most obedient servant

No. 1069 OFFICE OF THE BOARD OF EXAMINERS,
Madras, 8th February 1898.

From THE PRESIDENT,
BOARD OF EXAMINERS,

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,
In returning herewith endorse-

ment No 317, Public dated 4th February 1898, I have the honor to state that I can quote no precedent for the grant to a civilian of a special examination in consideration of his having been prevented by illness from appearing with other candidates at the proper time.

2. Nevertheless as Mr. Pope has got through his Higher Standard in all subjects except Revenue Law, I see no objection to his being set another paper (if Government so please) other than the additional trouble

which

which it will cause to the Examiner
in the subject. I have no objection
to superintending the examinee
while answering the paper.

3. It would doubtless be highly
inconvenient if similar applica-
tions became frequent and were
accorded to.

SUBJECT.

Special Examⁿ for
Mr. Pope.

FOR ORDERS.

Mr. P. J. Pope reports that
he may be now examined in
Revenue according to the Higher
Standard as he was unable
to appear for the examⁿ in
that subject a few days back
owing to ill health at the
time. He produces a certificate
from Surgeon Major Pope to
the effect that he was quite
unable to leave his bed -

Mr. Pope has passed the H.S.
in everything except Revenue.
He arrived in India in 1893
but having had six months
leave on m.c. he had only
three years &
five months & half service
upon 1st therefore has

has more chances of passing before he becomes liable to suspension. Assistants have 15 years within four years, but this period includes the exam: which follows the expiry of the four years.

The Pres. of the Board of Exams. does not deny that a precedent should be established for giving special exams, but he is not opposed to the granting of a special concession in this case as Mr. Pope has passed in everything but Revenue.

Mr. Pope was special Examinee in the Revenue but not in the other subjects.

Others are solicited.

AK
15/2/98

There is no precedent and it would be inconvenient to make one. If a man is too ill to attend the exam. it is unfortunate, but the exams. are held only once in six months & he should wait for the next. The appn. should be refused. 11.2.98.

Quite agree - The book can't be altogether eliminated.
