To G.A. Bombay 23rd September 1879

From The Assistant General
Bombay

To The Assistant General, Madras

Sir,

I have the honour to state that pursuant to the issue of definite orders by the Government Mr. H. Parsons, an Assistant Collector belonging to the Madras Presidency who was temporarily lent for duty in the Bombay Presidency was provisionally allowed to draw the salary and allowances he was in receipt of prior to his departure viz. Salary Rs 1033-14-3. Settlement allowance of Rs 150 and exchange compensation allowance thereof, his permanent travelling allowance of Rs 100 and postage of Rs 11-1-9 per month. The Bombay Govt. has now passed orders and in its Resolution in the Revenue Department, No 6057 of the 14th August last, it has notified that Mr. Parsons should be considered to have held a special temporary appointment during the period of his employment at Bombay on a salary of Rs 1033 per mensem. I have therefore the honour to request that you will be good as to cause recoveries to be made from Mr. Parsons of the amounts drawn in excess by him as shown in detail in the accompanying statement at the usual rate of not less than $\frac{1}{3}$ of his salary each month.

2. With reference to the last item of Rs 3-5-7 in the statement, Mr. Parsons should be informed that as agency charges and charges on

an account of stamps cannot be treated as actual expenses within the meaning of Article 1093 of the Civil Service Regulations, they have been disallowed.

I have etc.

To
The Chief Secretary to Government
Madras

Dated Chingleput 25th October 1897

Sir, I have the honour to request that
the Madras Government will be pleased to forward
the following representations to the Bombay
Government with reference to my salary to which
I am entitled from April to August of this year
under the latter Government.

2. Before I went to Bombay my salary consisted of

Pay	Rs 768-5-4
Acting allowance	265-8-4
Gratuity	150-0-0
Entertainment	35-0-0

and travelling allowance.

The enclosed letter from the Accountant
General Bombay shows that the Bombay
Government have decided to allow me
only the first two of the above items which
make up the base salary which I should
have received had I remained in the regular
line in Madras. Thus I am left less than I
should have done in the regular line in Madras
by the acting and travelling allowance which
I should have drawn in Madras.

3. I submit that in addition to the salary now
allowed

allowed me my claim to the following allowances
may be considered.

(a) Rs 5 a day under Co. R 101 - I went
to Bombay on famine duty and whilst there
was transferred to plague duty. Other Officers
from Foreign Residences were granted this
allowance when on plague duty and I believe
the regulation was held to apply to plague
as well as famine.

(b) Lind Allowance. - This allowance is
I believe granted to all Assistant Collectors
in charge of divisions in Lind to compensate
for the unbearable heat of the country. As
I was in charge of probably the hottest
division (Shikarpur) in Sind in the hottest
part of the hot weather I think I may fairly
claim it. I do not know exactly what the
amount is. The Bombay Quarterly Circular
for July last shows that Mr Lawrence who is
22 years my junior draws 100 Rs a month
and Mr Dodgson who is three years my senior
was drawing the same.

(c) Travelling allowance. - Assistant Collector
of my standing in Bombay appear to draw
a fixed allowance of Rs 125. I was posted
to the Kaira and Shikarpur Districts and
had to travel in both. I am quite at a loss
to understand why I am allowed nothing for my
expenses.

(d) Tentage. - Assistant Collectors of my
standing in Bombay draw Rs 25 each to
take my tents everywhere with me and in
Kaira I did them. The mean and tear

on them was very great - certainly more than
Rs 25 a month.

4. I most respectfully submit that my case
may be liberally dealt with. I have been
transferred since I came from Calcutta to Kaira
Kaira to Shikarpur and Shikarpur to
Chivankote. All these transfers have been by
telegram; in every case I have been told to
join promptly; in no case have my wishes
been consulted. I have done my best to
carry out orders. The result to me personally
is that the trying climate of Upper Sind
has prostrated me for a month with fever and
I am financially a heavy loser as my salary
has been reduced and I have had to bear the
loss of breaking up my establishment three
times and of all the mean and tear of my life.
I may also mention that, of the three servants
whom I have much difficulty persuaded to
accompany me, one I have discharged as
permanently invalided and another has be-
come seriously impaired in his health. I
have had to compensate them by additional
wages and presents.

I have the honour to be,
Sir,

Your most obedient servant,

J. P. A. Clerk

3 HIS EXCELLENCY THE GOVERNOR.

1 THE HON'BLE SIR HENRY BLISS, K.C.I.E.

2 THE HON'BLE MR. GROSE, C.I.E.

Mr. F. C. Parsons' salary and allowances while on duty in the Bombay Presidency.

FOR ORDERS.

Mr. F. C. Parsons requests that the Bombay Government may be addressed regarding his salary for the period he was on duty under that Govt.

2. As Special Settlement Officer, Malabar, Mr. Parsons drew the ^{salary} ~~pay~~ and allowances of the officer next below him in the regular line plus a special allowance of ¹⁵⁰ ~~Rs. 1218-14-3~~ per mensem.

Subject is a maximum of Rs. 1800 p. m.

Accordingly before his temporary transfer to ~~the~~ Bombay ^{he} was in receipt of Rs. 1218-14-3 per mensem :-

Pay-----	Rs. 768-5-4
Ag. Allowance-----	,, 265-8-11
Special Allowance-----	,, 150-0-0
Tentage-----	35-0-0
	<u>Rs. 1,218-14-3</u>

He also drew Travelling Allowance.

3. From the letter from the Accountant General, Bombay, to the Accountant-General, Madras, No. GA/18170 dated 23rd, September 1897, copy of which forms an enclosure to the current, it appears that the Bombay

Govt.

Flagged **D** in the current

Govt. has decided to permit Mr. Parsons to draw a consolidated salary of Rs. 1053 per mensem for the period of his temporary employment in that Presidency and that the excess provisionally drawn is to be recovered from him. This consolidated salary of Rs. 1053 is made up of the first two items mentioned in the preceding paragraph.

4. In addition to the amount then sanctioned by the Bombay Govt. Mr. Parsons asks that his claim to the following allowances may be considered:-

(1) B. 5 per diem under art. 101 C.S.D.,

as he was on famine as well as on plague duty;

(2) Sind Allowance. (Rs. 100) which, he understands, is granted to all Assistant Collectors in charge of divisions in Sind to compensate for the unbearable heat of the country;

(3) Travelling Allowance at the rate of Rs. 125 per mensem granted in Bombay to Assistant Collector of his standing;

(4) Tentage at Rs. 25 per mensem as granted to officers of his standing in Bombay.

5. Mr. Parsons requests that his case may be liberally dealt with in view of the fact that he was obliged to start for duty from several stations at short notice, that he was subjected to heavy losses and inconvenience by the several transfers and that he was working in a most trying climate.

6. It is to be noted that on his return to this Presidency Mr. Parsons drew as Acting Principal Assistant, Ganjam Rs. 1068-14-5 per mensem (including lintage).

7. Orders are solicited as to whether the Govt. of Bombay should be requested to consider the claims advanced by Mr. Parsons. In the papers connected with Mr. Parsons' transfer to Bombay no condition is traceable regarding his salary and allowances while on duty in that Presidency.

Curb.
9.12.97

I think Mr. Parsons's letter may be forwarded to the Govt. of Bombay with the favorable recommendation of this Govt. for liberal consideration. The nature of Mr. Parsons's claims is such that they can be dealt with only by the Bombay Govt.
