From

THE SECRETARY TO GOVERNMENT, REVENUE DEPARTMENT,

To

The Under Secretary to Government, Public &c., Deptts.

The undersigned has the honour to request that the name of the Registrar, Revenue Secretariat may be added to the list appended to G.O., No. 1680, Pub. dated 17th December 1897, as it is understood that there is the requisite stabling accommodation and that it is actually in his use at present.

Notes

A - It will be seen from the statement showing the allotment as it now stands that no provision is made for the Registrar, Revenue Secretariat.

In revising the distribution of stalls it was found there was one coach house & a stable available. These were allotted to the Second Assistant, Revenue Secretariat, who, like the Registrar, was not provided for when the original distribution was made.

Only one stable remained. This was reserved for boiling the drinking water for the filters in this office. There is no vacant coach house.

HC E
 (X) But we cannot stick to the status for this purpose if it is required as a stable. Cannot we put the water elsewhere?

To be

to ask the orderly in charge to permit the gardener to bail the water in the tank in which grass is bailed by the high officers' servants, or we could bail the water ~~under~~ in the garden - but this would be lighting a fire near the office building.
