Read—Endorsement of the Public Works Department, No. 2934-C., dated 19th June 1897.

ABSTRACT.—Transferring to the Educational Department letter from the Superintending Engineer, II Circle, recommending the permanent exemption of peon K. Mathurailingam Pillai from the Examination rules.

Memorandum No. 1415, Educational.

With reference to the application for the exemption from the Examination rules of K. Mathurailingam Pillai for employment as a peon, the Public Works Department is requested to report whether an application was made to the Superintendent of Pensions for the services of a pensioned sepoy and with what result.

9th July 1897.

(Signed) G. S. FORBES,
Secretary to Government.

From J. E. PAUL, Esq., Executive Engineer, Buckingham Canal Division, to the Superintending Engineer, II Circle, dated 13th August 1897, No. 922.

4. I would suggest that, if the employment of pensioners and reservists is to be encouraged, that lists of such men be occasionally printed and circulated to the heads of offices showing what posts they will take and for what posts they are qualified.

No. 170-B.C.

Forwarded to the Chief Engineer, Public Works Department, with reference to No. 3227-C., dated 16th July 1897, for information and favour of action with regard to the request made by the Executive Engineer.

Endt. No. 2606, Public.

Referred to the Deputy Adjutant-General for favour of report with reference to paragraph 4 of Mr. Paul's letter, No. 922, dated the 13th August 1897.

29th November 1897.

(Signed) A. T. ARUNDEL,
Chief Secretary.

From Brigadier-General G. SIMPSON, Deputy Adjutant-General, Madras Command, to the Chief Secretary to Government, dated Ootacamund, 14th December 1897, No. A.—N.T.-19874.

No lists of pensioners have been printed recently, because it was found impossible to keep them correct up to date, and it is necessary to explain to pensioners the pay and nature of the duties of the employment offered and to ascertain who is willing to accept it in each case.

2. This can only be done by paying officers on the spot, so the procedure of instructing such paying officers to submit the names of suitable and willing pensioners to officers and others applying for their services in each case is found to be more satisfactory and practical than if any particular name in a list is selected.

3. Lists, however, of names of men of good character desirous of employment and registered in the office of the Superintendent of Pensions, Madras, will in future be printed from time to time and circulated by that officer to heads of departments.

4. No list is kept of reservists desirous of employment in civil capacities, but on a reservist presenting himself for a civil appointment, he should be required to produce his letter of recommendation (India Army Form 409).

RESOLUTION—No. 24, dated 27th January 1898.

Communicated to all Collectors and Conservators of Forests.

2. Appointments of peons and other inferior servants are generally made, not by Heads of Departments, but by District and Divisional-officers. The Board would, therefore, suggest, with reference to paragraph 3 of the Deputy Adjutant-General's letter, No. A.—N.T.-19874, dated 14th December 1897, that the printed lists proposed to be issued by the Superintendent of Pensions, Madras, be arranged in the order of districts where employment is sought by the several applicants, and that a dozen copies of the portion relating to each district be sent to the Collector of that district for information. The Board would require for its own office three copies of the list of pensioners seeking employment in Madras.
